RE: Grant Funds Provided by The Southeast Texas Housing Finance Corporation (SETH)

Dear Mayor Long:

I just wanted to follow up on the correspondence sent to the City of League City in September 2022 (enclosed) pertaining to GRANT funds made available to the City from SETH. These funds are neither Federal, State or Local funds, therefore have no restrictions except that SETH Board of Directors hope that the City will use in furtherance of affordable housing or related services. Related services can include such activities as Senior Nutrition Program, Meals on Wheels, critical repairs for Seniors, etc. One of the most successful activities that the City provided with SETH Grant funds were the hook-ups to water and sewer services for lower income families in the Shell Side addition when the City replaced the lines.

Please review the enclosed and let us know if the City has an activity that they wish to fund with the GRANT funds. If you or your staff have any further questions, please do not hesitate to contact me at 281-484-4663 ext. 108 or at rwilliams@sethfc.com.

Sincerely,

RE: Grant Funds Provided by The Southeast Texas Housing Finance Corporation (SETH)

Dear Mayor Hallisey:

From time-to-time, SETH provides GRANT funds for *Affordable Housing and/or Related Services* to each of its 20 Sponsoring Local Jurisdictions. This year, SETH is allocating \$1,000,000 to this effort and providing [City/County] with \$50,000 to carry-out efforts to provide Local Initiatives.

It is simple and with Local control over how to disperse the funds. Just complete the enclosed "**Application For Funds**" and **mail the completed form to the address listed on the Application.**

SETH's Board of Directors respectively request that none of these funds be allocated to your General Revenues and are used specifically to provide Affordable Housing Initiatives. If you have any questions, please do not hesitate to contact me at 281-484-4663 ext. 108 or at rwilliams@sethfc.com.

Sincerely,
