On October 4th and 5th the League City Lions Club will host the 68th Annual League City Village Fair at Walter Hall Park. Vendors will begin setting up on Thursday and tear down on Sunday. On Friday and Saturday, we will have live music playing from a stage centrally located in the park. As many as ten thousand people are expected to attend this multi-day family friendly event. This is the primary fundraiser of the League City Lions Club and supports projects such as scholarships, eyeglasses and meal donations, disaster recovery services, sending kids with physical and intellectual challenges to Texas Lions Camp, and more. The League City Lions Club is proud of its ability to provide community service and financial assistance to children, senior citizens, and all people in our community.

Typically, the headline entertainers draw large numbers of enthusiastic fans in the late evening. Therefore, on behalf of the League City Lions Club, I respectfully request a variance of Section 42-38 allowing the entertainers to play as late as 11:59 p.m. on Friday October 4th and Saturday October 5th. The Lions Club would also like to request the waiver of all fees associated with Permits.

Your consideration in the matter is greatly appreciated.

Sincerely,
