Re: Support for Transportation Improvement Program Request by the City of League City for Extension of Palomino Lane and Clear Creek Bridge

Dear Mr. Clark,

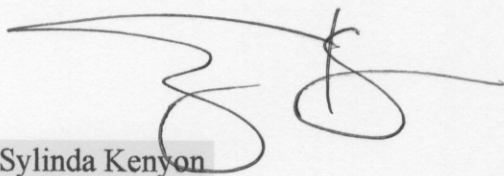

I am pleased to offer this letter supporting the City of League City in its pursuit of funding through the 2018 Houston-Galveston Area Council Transportation Improvement Program (TIP) for the extension of Palomino Lane to Grissom Road, including a bridge over Clear Creek.

The League City Space City Cycling has a simple mission— to support and encourage all kinds of cycling for our community. As League City continues to grow, it is important that we preserve and create bike paths to make it safe for people to ride their bikes. The Palomino Lane Extension and Clear Creek Bridge includes an on-street bike path on both sides and will create a new, safe north-south route for recreation and commuter cyclist.

I fully support the City of League City's pursuit of federal funding through the TIP program.

If you have any questions or concerns, please feel free to contact me at 832-563-8485 .

Sincerely,

A handwritten signature in black ink, appearing to read 'Sylinda Kenyon', with a long horizontal line extending to the left.

Sylinda Kenyon
President
