*"Quality people building brands and partnerships... one case, one customer at a time."*

March 26, 2024

Dear Valued Retailer:

Del Papa Distributing Company is the exclusive distributor for several beer, wine, spirits, and non-alcohol suppliers across our 17-county footprint. We have executed distribution agreements with each of these suppliers that allow us to be the exclusive distributor for a given territory. These agreements prevent other distributors from entering our territory and selling products offered by these suppliers. We have partnered with 32 suppliers that represent hundreds of brands that are delivered out of our Texas City warehouse which covers Galveston and Brazoria Counties. Anheuser Busch, Constellation, Congo, Karbach, Beatbox Beverages, Phusion Projects, Saint Arnold Brewing Company, and Galveston Island Brewing are some of the larger suppliers that we have partnered with in this territory.

Sincerely,

Sean Atnip  
Executive VP, Chief Financial Officer
