

Currux Vision Sole Source Letter for the City of League City, TX

August 1, 2024

To Whom It May Concern,

Paradigm Traffic Systems is the exclusive distributor for the Currux Vision LLC proprietary, comprehensive traffic management suite in League City. In addition, Paradigm Traffic Systems is the sole source distributor for a combination of Currux Vision with Axis cameras.

Currux Vision uniquely offers real time, accurate, autonomous control systems for traffic management including detection, big data analytics and alerts, connected vehicle infrastructure, and continuous machine learning using existing infrastructure via its GPU server. It can be deployed at the edge or in hybrid-cloud /cloud-based configurations that can work for any agency and works with most cameras including analog. The use of existing infrastructure creates significant ROI for agencies while delivering safety and efficiency for installation.

Please feel free to contact us with any questions or comments.

Sincerely,

Alex Colosivski
CEO
