Re: Invitation to Bid (ITB) 26-038 Low Emissions Diesel Excavator
Award Recommendation

Enclosed for your review and approval is the award recommendation for Low Emissions Diesel Excavator, a copy of the original ITB, and a copy of the bid submitted by the awardee.

HISTORY

On Thursday, May 7th, 2026, Invitation to Bid (ITB) **26-038 Low Emissions Diesel Excavator** was released to the public. The objective of the solicitation was to find qualified bidders to purchase a new excavator at a price that is most advantageous to and best meets the needs of the City while taking into consideration factors such as delivery time and warranty. The bids were received and opened Monday, June 8th at 10:00 AM CST.

AWARD RECOMMENDATION

After receiving **one (1) bid**, the proposal was reviewed and found to be responsive to the solicitation requirements, and the pricing was determined to be fair and reasonable. Funding for this purchase will be provided in part through a Texas Emissions Reduction Plan (TERP) grant. The Purchasing Department recommends awarding the contract to **Mustang Cat** as the lowest cost, best value bidder.
