Good evening, everyone,

I am working on our Council item that allows Staff to make the grant application submission and while we had conversations where I noted the homeowner would be responsible for any matching costs

required on the grant, I did not get that in writing and need to attach that with the council agenda item. Please confirm that you are in agreement to provide any matching funds and that you understand that the City will only be responsible for assistance in the application process and if awarded, the grant administration.

An email response to my email will suffice for an acknowledgment. I apologize for the short notice, but I need this confirmation as soon as possible, preferably tomorrow, but no later than Monday, March 3rd.

Thank you,

Christopher
