THAT, City of League City, hereinafter referred to as "Grantor", whether one or more, for and in consideration of the sum of ONE DOLLAR (\$1.00) CASH to Grantor paid by CenterPoint Energy Houston Electric, LLC, its successors and assigns, hereinafter referred to as "Grantee", whose principal address is P. O. Box 1700, Houston, Texas 77251-1700, has **GRANTED, SOLD AND CONVEYED** and by these presents, does **GRANT, SELL AND CONVEY** unto said Grantee, all or in part, a perpetual blanket easement, hereinafter referred to as the "Easement", for electric distribution and communication facilities consisting of a variable number of wires and cables and all necessary and desirable equipment and appurtenances, including, but not limited to, towers or poles made of wood, metal or other materials, props and guys, hereinafter referred to as "Facilities", lying on, over, under, and across the following described lands owned by Grantor, ("Grantor's Property"), to wit:

Lot 1 of Minor Plat of City of League City Water Booster Pump Station, a subdivision located in the Robert Wilson Survey, Abstract 88, Harris County, according to the map or plat thereof recorded in Film Code 653194 of the Map Records of said County and State, (the "Easement Area").

The Easement Area herein granted is a blanket easement and shall apply only insofar as the boundaries of Grantor's Property will permit. Grantee further reserves the right to extend services and drops within Grantor's Property and to adjacent land owners from said Facilities.

Grantor or its successors or assigns shall observe and exercise all notification laws as per the Underground Facility Damage Prevention and Safety Act, also known as "ONE CALL" & "CALL BEFORE YOU DIG" when working in or near the Easement Area.

To the extent that such laws and codes apply to Grantor, its successors and assigns, Grantor, its successors and assigns shall observe all safety codes and laws which apply to working along, within and or near the Easement Area and Facilities during construction activities and safe clearance from such Facilities, including O.S.H.A., Chapter 752 of the Texas Health and Safety Code, the National Electric Code, and the National Electrical Safety Code.

Grantor herein reserves the right to grant easements in favor of third parties across the herein described Easement Area in a near perpendicular fashion to Grantee's Facilities, the approximate locations of which are shown on Exhibit "A", attached hereto and made a part hereof, provided (i) no other utilities are permitted to cross within a vertical distance of twenty-four (24) inches of Grantee's below ground Facilities, (ii) no other facilities or structures shall be permitted longitudinally within a distance of five (5) feet of the centerline of any of Grantee's below ground and above ground Facilities, (iii) no other utilities or structures shall be permitted longitudinally within a distance of fifteen (15) feet of the centerline of any of Grantee's overhead Facilities, beginning at a plane sixteen (16) feet above the ground and extending upward, hereinafter collectively referred to as "Grantee's

Exclusive Easement Area", and, (iv) doing so does not, in the sole opinion of Grantee, endanger or interfere with the efficient, safe and proper operation and maintenance of Grantee's Facilities.

Grantor herein covenants and agrees that, in the event that any third party facilities or obstructions are located within Grantee's Exclusive Easement Area, Grantor will take immediate action to remove and/or relocate said facilities and/or obstructions to a location outside of Grantee's Exclusive Easement Area at Grantor's sole cost and expense.

If Grantor, its successors or assigns should, at any future date, request that the Easement Area herein granted be further defined, Grantee agrees, at Grantor's expense, to prepare a new, defined easement described by a sealed survey sketch. Defined easements shall be unobstructed and may be further described by, but not limited to, the following descriptions:

- 1.) A ten (10) foot wide easement (for above and below ground facilities);
- 2.) A ten (10) foot wide easement together with ten (10) foot aerial easements adjoining both sides of said ten (10) foot wide easement (for above ground and overhead facilities that are not along a perimeter);
- 3.) A ten (10) foot wide easement together with an adjoining eleven (11) foot, six (6) inch wide aerial easement (for above ground and overhead perimeter facilities);
- 4.) A fourteen (14) foot wide easement together with an adjoining seven (7) foot, six (6) inch wide aerial easement (for above ground and overhead perimeter facilities);
- 5.) An easement sixteen (16) feet wide and twenty-four (24) feet long (for Grantee's pad-mounted transformer station purposes).

Grantee further agrees to release this Easement upon execution and delivery of the new defined easement by Grantor.

In the event that Grantor, its successors and assigns, desires that Grantee's Facilities be relocated, then Grantee agrees to relocate said Facilities provided that Grantor

furnishes a suitable and feasible site or location for such relocation and, provided that Grantor, its successors and assigns, shall, if requested by Grantee, furnish to Grantee a suitable and acceptable easement covering the new location. Any and all costs associated with relocating said Facilities will be at Grantor's sole expense.

Grantee shall also have reasonable rights of ingress and egress to and from said Easement Area, together with reasonable working space, for the purposes of erecting, installing, operating, maintaining, replacing, inspecting, and removing said Facilities, together with the additional right to remove from said Easement Area, all bushes, trees and parts thereof, or other structures which, in the opinion of Grantee, endanger or may interfere with the efficiency, safe and proper operation, and maintenance of said Facilities.

TO HAVE AND TO HOLD the above described Easement, together with all and singular the rights and appurtenances thereto in anywise belonging, unto Grantee forever, and Grantor does hereby bind itself and its successors, heirs, assigns, and legal representatives, to fully warrant and forever defend all and singular the above described Easement and rights unto said Grantee, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through or under Grantor, but not otherwise. In the event of a deficiency in title or actions taken by others which results in the relocation of Grantee's Facilities, the Grantor herein, its successors and assigns, will be responsible for all costs associated with the relocation and/or removal of Grantee's Facilities.
