<b>Grant Name</b>		Wink to Webster Pipeline First Responder Grant Program		
<b>Directorate/Department Applying for Grant</b>		<b>Proposed Grant Manager</b>		
Police Department		Lt. Cliff Weitena		
<b>Awarding Grant Agency Name</b>		<b>Total Project Amount</b>		
Wink to Webster Pipeline LLC		10,000		
<b>General Purpose of the Grant</b>				
The Wink to Webster Pipeline grant is intended to help first responders better serve their communities by providing additional resources (up to \$10,000) to enhance their safety and training. This grant is available to first responder organizations within 30 miles of the projected pipeline route. This grant would be used for tactical bomb technician small tools and equipment in support of the 2 new EOD technicians. As with the implementation of any new program, there is a need to build logistical support for these techs to be able to effectively engage in the detection and mitigation of explosive related threats. This grant would help to purchase much needed small tools for the bomb squad without impacting operational budgets. Our bomb techs will be the closest EOD unit to the termination point of this pipeline in Webster.				
<b>Items the Grant Will Pay For</b>				
The items that will be requested in this grant are: (2) Tactical Disruptor Kits \$8000, which are used to render safe suspicious packages or items and (2) Custom Designed Rigging Kits \$2000, which are used to move potential dangerous items from a safe distance

# First Responder Grant Program

## SUPPORTING FIRST RESPONDERS

Wink to Webster Pipeline LLC strives to be a good neighbor in the communities where we work and operate. To demonstrate our commitment, we are implementing a First Responder Grant Program to support training and equipment needs of responders along the Wink to Webster Pipeline route in Texas. The grant program helps first responders better serve their communities by providing additional resources that enhance their safety and training.

## HOW IT WORKS

We encourage first responders in direct proximity of the Wink To Webster Pipeline to submit a brief application to introduce your organization and explain how it would use a grant. Most grant awards will range from \$2,500 to \$10,000, although some exceptions may be made. An organization is eligible to receive a grant from Wink To Webster Pipeline once.

If your organization receives a grant, the improvement project must be completed within one year of grant acceptance, unless otherwise specified. Once complete, Wink To Webster Pipeline requires an impact report to determine the effectiveness of the grant.

Grants will be awarded in the sole discretion of Wink To Webster Pipeline.

# WINK TO WEBSTER PIPELINE FIRST RESPONDER GRANT PROGRAM

## SELECTION CRITERIA

In determining eligibility for making a charitable donation, the Wink To Webster Pipeline considers the following:

- Status as a U.S. 501(c)3 organization, such as a volunteer fire department, or municipal public safety organization, engaged in emergency response activities
- Proximity to the pipeline route (~ 30 miles or less) receives priority

*Note: If your grant application is selected by the committee, you will be required to sign a release that will allow Wink To Webster Pipeline to use information about the grant award in company promotional materials.*

## REQUESTS SHOULD DEMONSTRATE:

- A lasting, measurable impact to the community and/or requesting organization
- Direct benefit to the safety or preparedness of first responders and the surrounding community

*Priority will be given to grants that help to ensure first responders are properly equipped and trained to respond to a pipeline incident*

## THE WINK TO WEBSTER PIPELINE FIRST RESPONDER GRANT PROGRAM IS NOT DESIGNED TO SUPPORT:

- Individuals or families
- Ongoing annual funding for an organization
- Organizations located in communities that are not within close proximity to the Wink To Webster Pipeline route
- Political, labor, fraternal organizations or civic clubs and any organization that distributes political messages or otherwise attempts to influence legislation
- Athletic or sporting event sponsorships unless directly related to supporting community public safety and emergency preparedness, and for charitable purposes

*Exceptions may be made at the Wink To Webster Pipeline's sole discretion.*
