This WATER CRF CREDIT AGREEMENT ("Agreement") is made and entered into this **June 24, 2025**, by and between the **City of League City**, a **City** organized under the laws of the State of Texas ("Grantor"), and **West FM 517, LTD.**, a Texas limited partnership ("Grantee").

RECITALS:

WHEREAS, Grantee is developing the **Pedregal Subdivision, Section 4A** (the "Project") located entirely within the corporate limits of the City, as more fully described by the Preliminary Plat attached hereto as **Exhibit "A"** (the "Property") within Grantor's water service area;

WHEREAS, in order to provide water service to the Project, Grantee will be required to construct a water main line (the "Water Main") on or adjacent to the Property;

WHEREAS, in exchange for Grantee's agreement to construct the Oversized Portion, Grantor desires to award Grantee water Capital Recovery Fee ("CRF") credits; and

WHEREAS, the parties now desire to enter into this Agreement to set forth the terms and conditions of Grantor's award of water CRF credits to Grantee.
