The 2014 League City 1K/5K Wellness Walk/Run will be held on Saturday, April 26, 2014 at 9:00 am in League Park. The race course will run through the League City Historic District Neighborhood. This event is co-sponsored by the League City Parks Recreation Department and The Friends of League City Seniors Foundation.

Eleven Police Officers, three Bicycle Officers and street barricades will be needed to assist with this year's event to ensure the safety of our race participants and non-participants. The bicycle patrol was a tremendous and effective help in maintaining an orderly flow. We are once again requesting the additional help from the bicycle patrol team.

All event proceeds directly benefit the League City Senior Citizens' Program. We are requesting all fees incurred by the League City Police and Street Departments for this event to be waived.
