The Honorable Pat Hallisey

League City, TX 77573

Dear Mayor Hallisey,

Galveston County is preparing for a future County-wide bond issue for mobility, drainage and facility improvements. Proceeds from this bond issue would fund much needed improvements to County infrastructure as well as projects within the corporate limits of your city.

The total bond and individual city distribution amounts have not been discussed or set. To help with that effort, we are asking you to provide a list of prioritized projects that you wish to have considered for the possible bond issue.

Please submit your list of projects with the following information no later than **May 1, 2017**.

1. Project Title
2. Project Narrative
 - a. Describe the proposed improvement (Road/Limits/Description)
3. Project Benefits Narrative
 - a. This response should show what primary problems are being addressed and demonstrate the public benefits this project brings.
4. Project Development/Readiness
 - a. Provide the status of project development. What level of planning and/or engineering has been performed?
5. Project Cost
 - a. Provide a project cost estimate.
6. Funding Sources
 - a. Will the project be funded through sources other than County bond proceeds? (TxDOT, etc.) If so, please list other sources.
7. Schedule
 - a. Provide an estimated schedule for completion of the project.

Please forward your completed project list to my Chief of Staff, Tyler Drummond, at tyler.drummond@co.galveston.tx.us. If you have any further questions or concerns, you can contact us at 409-765-2639.

Sincerely,

A handwritten signature in blue ink that reads "Mark Henry".
