To Whom It May Concern:

Due to the unprecedented downturn due to COVID-19 pandemic, we are compelled to write this letter to request temporary relief on Hotel Occupancy Tax for 1st quarter.

We are requesting City of League City and Council to give relief to all local hotels on 1st quarter payment, by forgiving hotel occupancy tax due on 30th April 2020.

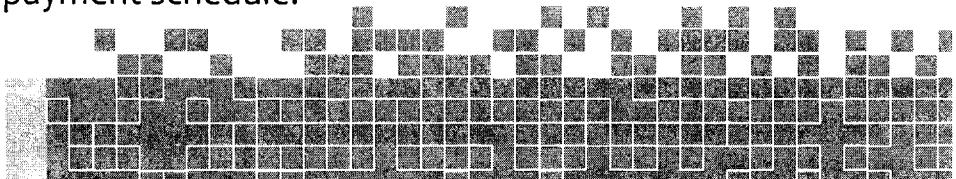

Despite the current situation, we have decided to keep doors open for business but are struggling with plummeting occupancy levels. It is becoming increasingly difficult to maintain the current workforce at our properties. We have employed strategies to minimize the cost of operation and gain relief in other area.

Find below Hotel Occupancy Due on April 30th 2020

Hampton Inn & Suites : \$ 31455.00

Candle Wood Suites : \$ 15,822.00

If the current situation is alleviated sooner than expected, we will resume our originally agreed payment schedule.

We hope that you will consider our one time request in a positive manner during this extremely difficult time. Thanks in advance for your time and consideration. If you have any further questions please let us know via email or call on 701-226-5331.

Sincerely,
Kalpesh Patel
