Christoper,

To follow up on our recent telephone conversation regarding the proposed naming of Longfellow Drive on our property that will insect with the Grand Parkway in Galveston County, please allow this note to serve as our opposition to the League Council's proposed name of Emerson Drive.

As discussed, our consideration of and the naming of the street as Longfellow Drive, is based upon several factors, as noted below.

- 1) The West family has owned this property, the property of the West Ranch Development and the now being developed Legacy Development for almost one hundred years.
- 2) The naming of various streets is based upon the West legacy. For example, West Blvd. that commences at FM 528 through West Ranch will be extended to the Grand Parkway.
- 3) The naming of Longfellow Drive, is based upon the West ownership of Longfellow Ranch,
- 4) Future streets in the immediate area are designated to be named after other West ranches, or earlier West family members.
- 5) It is our understanding that TXDOT has adopted this name for their flies and naming convention in their Grand Parkway schematic and plans.

Christoper, it is our hope that Council will reconsider the naming and adopt Longfellow as the name of this street.

Should you need any additional information, please do not hesitate to contact me.

Regards,
