The CPA reserves the right to award contract(s) without any negotiations and reserves the right to not make awards.

The Respondent is strongly encouraged to provide its best price in its Proposal because the CPA makes absolutely no guarantee that there will be any opportunity to negotiate or provide alternative pricing at any point during the RFP process. The CPA may limit the number of proposals in the competitive range to consist of the greatest number of proposals that will permit an efficient competition among the respondents based in accordance with the proposed pricing and the required criteria specified in the RFP. CPA may seek additional information and solicit BAFOs only from those proposers determined to be in the competitive range.

CPA reserves the right to conduct studies and other investigations as necessary to evaluate any proposal. CPA reserves the right to waive any minor or immaterial response requirements noted in the submission process. Submission of proposals confers no legal rights upon any Respondent. The CPA will determine whether negotiations or Best and Final Offers are necessary and may invite selected Respondents to provide oral presentations of their proposals. Pursuant to Government Code §2155.087, the Chief Clerk of the CPA, in a public meeting, may consider award recommendations for contracts related to this solicitation.

Respondent(s) should be aware that sealed Proposals and information regarding sealed proposals cannot and will not be disclosed to the public prior to award of Contract(s).

CPA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), CPA may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Such sources of vendor performance may include any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the Federal government. Further, CPA may initiate such examinations of vendor performance based upon media reports. Any such investigations shall be at the sole discretion of CPA, and any negative findings, as determined by CPA, may result in non-award to the Respondent.

A.18.1 Award

Comptroller shall award a Contract(s) to the Respondent(s) whose proposal is considered to be the best value to the state, as defined in §2155.074, Gov't Code.

The CPA may make its award to Respondent(s) based on any combination, including, but not limited to individual line item, commodity groups, all or none or a combination thereof that provides best value to the State.

A.18.2 Multiple Awards

The CPA anticipates multiple term contracts may be awarded from this solicitation. The Respondent(s) providing the best value to the State for each NIGP group description may be chosen as the State's primary or "best value vendor" for that group. Additional Respondents may be awarded contracts at the sole discretion of CPA in order to provide product variety.

A.18.3 Substitutions

During the Contract term, the Contractor shall not substitute a product or brand unless the Contractor has obtained prior written approval from the CPA Contract Manager in coordination with the Customer. The Contractor must have written confirmation from the CPA Contract Manager of the substitution before making delivery.

A.18.4 Adding New Commodities and/or Services to the Contract after Award

Following the Contract award, additional commodities and/or services of the same general category that could have been encompassed in the award of this contract, and that are not already on the contract, may be added. A formal written request may be sent to successful Contractor (s) to provide a proposal on the additional commodities and/or services and shall submit proposals to the CPA as instructed. All prices are subject to negotiation with a Best and Final Offer ("BAFO"). CPA may accept or reject any or all proposals, and may issue a separate RFP for the products after rejecting some or all of the proposals. The commodities and/or services covered under this provision shall conform to the specifications and requirements as outlined in the request.

A.19 ORGANIZATION OF THE PROPOSAL FOR SUBMISSION

The Proposal shall include all information required in this RFP and shall be in the format described herein. The Respondent is solely responsible for thoroughly understanding the RFP and its attachments, exhibits, and forms. Any questions concerning this RFP should be directed to the Point of Contact by the Deadline for Submitting Questions identified in Part A. The Respondent is cautioned to pay particular attention to the clarity and completeness of its Proposal. The Respondent is solely responsible for its Proposal and all documentation submitted.

The Respondent shall be as precise, accurate, and succinct as possible. The Respondent shall provide detailed descriptions of how they will fulfill each requirement. The clarity and completeness of a Proposal may be considered by the CPA evaluators.

A. Confidential/Proprietary Information:

If any material in the Proposal is considered by Respondent to be confidential or proprietary information, Respondent **must** clearly mark the applicable pages of their submission to indicate their claim of confidentiality. Additionally, Respondent must include a statement on company letterhead identifying all Proposal section(s) and page(s) which have been marked as confidential.

B. Execution of Proposal – Attachment A

Respondent’s signature is required to acknowledge that they can meet all requirements as stated and failure to sign and submit this form with its Proposal may disqualify the Proposal.

C. Respondent Contact Information Form – Attachment B

All information on this form must be provided as requested.

D. Preferences – Attachment C

Respondents are encouraged to carefully review this attachment and complete as applicable.

E. HUB Subcontracting Plan - Reference Section A.11

The Respondent shall fill out the HUB Subcontracting Plan (HSP) and submit with the Proposal to be considered responsive. Responses received without the HSP, shall be rejected as a material failure to comply with the requirements of this RFP.

F. Mandatory Price Sheet (XML)

The Respondent shall complete the Pricing Sheet and return with response in the format requested.

G. Assumptions and Exceptions

The Respondent shall clearly state any assumptions it made in its Proposal. The Respondent shall also clearly identify any exceptions it takes to specific provisions of this RFP, noting the specific RFP section number. If there are no exceptions, the Respondent shall explicitly state that the Respondent takes no exception to any part of this RFP. Any exception may result in the Contract not being awarded to the Respondent.

NOTE: The CPA, as a state agency, is prevented by the Texas Constitution from indemnifying vendors. The Respondent is discouraged from including a term in its Proposal that requires the CPA to indemnify it. Such a term may result in the Proposal being deemed non-responsive.

On company letterhead or in Excel, the Respondent shall identify exceptions using the following format:

Section	Section Title	Exception	Proposed Language

H. The Conflict of Interest Disclosure

By signing the Execution of Proposal, the Respondent affirms that the execution of an agreement between Respondent and the State will not create a conflict of interest or cause an appearance of a conflict of interest. In its proposal, Respondent must disclose any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to Respondent’s (and its proposed subcontractors’) submission of a proposal and possible selection as contractor or its performance of the Contract. A description of some conflicts of interest may be found in Part B,

General Instructions and Contract Terms and Conditions, Section B.1.3, but this list should not be considered exhaustive or limiting.

If the circumstances certified by Respondent change or additional information is obtained subsequent to submission of proposals, by submitting a response Respondent agrees that it is under a continuing duty to supplement its response under this provision, and Respondent shall submit updated information as soon as reasonably possible upon learning of any change to their affirmation.

A.20 SUBMITTING THE PROPOSAL TO THE CPA

The Proposal shall clearly state the Proposal Due Date and Time identified in [Section A.15.1](#) Calendar of Events and be titled: Proposal Submitted for RFP No. 715-M2 - Publications, Audiovisual Materials, Books and Cataloging Services (Prepared Materials Only)

THE PRICE SHEET MUST BE SUBMITTED ELECTRONICALLY IN THE ORIGINAL FORMAT.

Please read all instructions carefully for submitting electronically:

Use the following e-mail address to submit your response electronically **and it is recommended to begin the process well in advance of 4:00 pm on the due date:**

TPASS.ebids@cpa.state.tx.us

The e-mail subject line should contain the RFP number and title as indicated on the cover page.

The respondent is solely responsible for ensuring that their complete electronic bid is sent to, and actually received by, CPA in a timely manner and at the proper destination server.

IMPORTANT NOTE: CPA recommends a limit on the attachments to 10MB each. This may result in the sending multiple e-mails to TPASS.ebids@cpa.state.tx.us for the submission of all documentation contained in a response.

ALL DOCUMENTS SHOULD BE SUBMITTED IN MICROSOFT OFFICE FORMATS (WORD AND EXCEL) OR IN A FORM THAT MAY BE READ BY MICROSOFT OFFICE SOFTWARE. ANY DOCUMENTS WITH SIGNATURES SHALL BE SUBMITTED AS AN ADOBE PORTABLE DOCUMENT FORMAT (PDF) FILE. CPA IS NOT RESPONSIBLE FOR DOCUMENTS THAT CANNOT BE READ OR CONVERTED. UNREADABLE PROPOSALS MAY BE, IN CPA'S DISCRETION, REJECTED AS NONRESPONSIVE.

Note: Please be aware that your Internet Service Provider may limit file sizes on your outgoing emails, so try to avoid graphics, pictures, letterheads, etc., which consume a lot of space. These typically include *.tif/*.tiff, *.gif, & *.bmp file extensions, but may include others, as well. CPA's firewall virus protection runs at all times, so during times of new active virus alerts, incoming traffic may be delayed while virus software scans emails with attachments.

CPA takes no responsibility for electronic bids that are captured, blocked, filtered, quarantined or otherwise prevented from reaching the proper destination server by any CPA anti-virus or other security software.

To confirm receipt of all electronic submissions, contact 512-463-3377 or request a confirmation by e-mail.

By Hard Copy Submission:

In lieu of electronic submission, CPA currently still accepts hard copy proposal. The Respondent must submit one (1) original signed paper copy.

CPA will no longer provide proof of delivery for proposals delivered by hand to the outside drop box or by courier; however, all proposals received by CPA will be documented with a date/time stamp for receipt documentation purposes.

B.1 INTRODUCTION

B.1.1 Authority to Contract

Pursuant to the authority and responsibility provided in §§2155.061, 2156.061, and 2156.121, Government Code, the Comptroller's office is authorized to procure statewide contracts using the sealed proposal method.

Pursuant to §§ 2155.202 – 2155.204, Government Code, statewide contracts procured by the Comptroller’s office may additionally be used by community mental health and mental retardation centers, the Texas Legislature and related legislative agencies, and local government entities pursuant to Subchapter D, Chapter 271, Local Government Code. Local government is defined by §271.081 of the Local Government Code to include a county, municipality, special district, school district, junior college district, a local workforce development board created under Section 2308.253, Government Code, or other legally constituted political subdivision of the state.

B.1.2 Definitions

When capitalized, the following terms and acronyms have the meaning set forth below. All other terms have the meaning set forth in Webster’s II New College Dictionary.

Contractor	The Respondent(s) awarded a Contract as a result of the RFP.
CPA	The Comptroller of Public Accounts, the state agency issuing this solicitation.
Customer	Those state and local entities that are required and permitted by law to purchase goods and services under contracts established by the CPA.
ESBD	The Electronic State Business Daily, which is available online at http://esbd.cpa.state.tx.us/ .
Gov't Code	The Texas Government Code.
Party / Parties	Either the CPA and Respondent separately or collectively.
Proposal	The response submitted by a vendor to the CPA as a result of this solicitation.
Respondent	Any person or vendor who submits a Proposal in response to this solicitation.
RFP	Request for Proposals, which is the type of solicitation embodied in this document.
TAC	The Texas Administrative Code, which is the publication for administrative rules.

B.1.3 Conflicts of Interest

B.1.3.1 Actual and Perceived Conflicts

By submitting a Proposal, the Respondent represents and warrants that neither it nor its employees and subcontractors have an actual or potential conflict of interest in entering a Contract with the CPA. The Respondent also represents and warrants that entering a Contract with the CPA will not create the appearance of impropriety. In its Proposal, the Respondent shall disclose any existing or potential conflict of interest that it might have in contracting with the CPA. The requirement to disclose any actual or potential conflict of interest shall continue during the term of the contract, and shall survive until the end of the recordkeeping requirement in B.7.4. The CPA will decide, in its sole discretion, whether an actual or perceived conflict should result in Proposal disqualification or Contract termination.

B.1.3.2 Current and Former CPA Employees

In addition to the disclosures required above, the Respondent shall also disclose any of its personnel who are current or former officers or employees of the CPA or who are related, within the third degree by consanguinity (as defined by §573.023, Gov't Code) or within the second degree by affinity (as defined by §573.025, Gov't Code), to any current or former officers or employees of the CPA.

Respondents must comply with all applicable Texas and federal laws and regulations relating to the hiring of former state employees (see e.g., Texas Government Code Chapters 572 and 573). Such “revolving door” provisions generally restrict former agency heads from communicating with or appearing before the agency on certain matters for two years after leaving the agency. The revolving door provisions also restrict some former employees from representing clients on matters that the employee participated in during state service or matters that were in the employees’ official responsibility. Respondent, by signing this solicitation, certifies that it has complied with all applicable laws and regulations regarding former state employees.

Respondent must identify each employee who works for more than one staffing company at any facility and ensure that the employee’s cumulative weekly hours worked at all state facilities through any one staffing company does not exceed 40 hours per week.

B.1.4 Construction of this RFP and the Contract

B.1.4.1 Global Drafting Conventions

The terms “include,” “includes,” and “including” are terms of inclusion and, where used in this Contract, are deemed to be followed by the words “without limitation.”

Unless explicitly stated otherwise, any references to “Sections,” “Articles,” “Exhibits,” or “Attachments” are deemed to be references to the Sections, Articles, Exhibits, and Attachments to this RFP and the Contract.

B.1.4.2 Headings

The Article and Section headings in this RFP and the Contract are for reference and convenience only and may not be considered in the interpretation of this RFP or the Contract.

B.2 THE RFP PROCESS

B.2.1 Submitting Questions about the RFP

The Respondent will have until the Deadline for Submitting Questions, identified in Part A, to submit in writing all questions regarding this RFP. Questions may only be sent to the Point of Contact. All questions shall, to the highest degree possible, cite the specific RFP section to which the question refers. The CPA will, at its discretion, answer the questions in a Question and Answer Document posted on the ESB D.

Only answers provided in writing by the CPA shall be considered official. Information in any form other than the materials constituting this RFP, the Question and Answer Document, and any RFP addendum shall not be binding on the CPA.

All questions submitted to the CPA must include the identity of the sender, the sender's title, company name, mailing address, telephone number, and facsimile number or e-mail address, as applicable.

NOTE: Minor questions for which the answer will not affect the interpretation of the RFP or change the contents of a Proposal (for example, a question regarding delivery of the sealed Proposal) may be answered orally or by e-mail by the CPA.

B.2.2 Addenda to the RFP

Should an addition or correction to this RFP become necessary, an addendum relating the necessary information will be posted on the ESB D. The Respondent is responsible for periodically checking the ESB D for addenda or additional information relating to this RFP. The Respondent is required to acknowledge each addendum by returning a signed copy of the addendum with its Proposal.

B.2.3 Testing and Inspection

The CPA and Customers may test and inspect goods and services purchased under the Contract to ensure compliance with the specifications of this RFP and the Contract. The CPA may also test and inspect goods and services before they are purchased under the Contract.

Authorized CPA personnel shall have access to the Respondent's place of business for the purpose of inspecting the goods. To the extent practical, the CPA inspections will not disrupt the Respondent's daily operations. Tests shall be performed on samples submitted with the Proposal or on samples taken from regular shipments. All costs of testing and inspection shall be borne by the Respondent. In the event the goods tested fail to meet or exceed all conditions and requirements of the RFP and Contract, the goods will be rejected in whole or in part, at the State's option, and returned to the Respondent or held for disposition at the Respondent's expense. Latent defects may result in cancellation of the Contract at no expense to the state.

If material fails to meet specifications, the Respondent will be notified by fax / mail or e-mail. The Respondent will have ten (10) working days after receipt of the notification to remove the rejected material from state property. Material will be removed at the Respondent's expense. Material not removed in the allotted time period will be disposed by the Customer. The Respondent will be charged for all disposable expenses conducted by the Customers.

B.2.4 Accuracy of the Proposal

The Respondent's Proposal shall be true and correct and shall contain no cause for claim of omission or error. Proposals may be withdrawn in writing at any time prior to the submittal deadline.

B.2.5 HUB Subcontracting Plan Requirements

It is the policy of the CPA to promote and encourage contracting and subcontracting opportunities for State of Texas certified Historically Underutilized Businesses (HUBs) in all contracts in compliance with Chapter 2161, Gov't Code. Eligible Respondents are encouraged to become HUB certified. State of Texas HUB applications may be found at:

<http://www.window.state.tx.us/procurement/prog/hub/hub-forms/>

Definitions for State of Texas HUB certifiable businesses can be found in 34 TAC Chapter 20, Subchapter B, which is available at:

[http://info.sos.state.tx.us/pls/pub/readtac\\$ext.ViewTAC?tac_view=5&ti=34&pt=1&ch=20&sch=B&rl=Y](http://info.sos.state.tx.us/pls/pub/readtac$ext.ViewTAC?tac_view=5&ti=34&pt=1&ch=20&sch=B&rl=Y)

A HUB Subcontracting Plan Form must be filled out and returned with the Proposal to be considered responsive. If the Proposal does not include a HUB Subcontracting Plan, it shall be rejected as a material failure to comply with advertised specifications.

Any probable subcontracting opportunities are identified in Part A. This list should not be considered a mandatory or an exhaustive list. Other areas of subcontracting may be more appropriate given the Respondent's business structure and internal resources. Please see the attached HUB Subcontracting Plan for further instructions which require vendors to identify the specific areas intended for subcontracting.

Search the State of Texas HUB Database for HUB vendors by the NIGP class and item at:

<http://www2.cpa.state.tx.us/cmb/hubonly.html>

Additional minority and women owned business association resources are available for subcontracting notices at: <http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/>

Questions about the HUB Subcontracting Form, finding HUB vendors, or the State of Texas HUB Program, should be directed to the HUB Coordinator identified in Part A.

Additional information and training regarding how to complete a HUB Sub-Contracting Plan can be found on the CPA Website at the following link:

<http://www.window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan/>

B.2.6 Cost of Submitting the Proposal

The CPA will not reimburse the Respondent for any cost related to its Proposal. The Respondent is responsible for any expense related to the preparation and submission of its Proposal.

B.2.7 Public Information Act Disclosures

The CPA is a government agency subject to the Texas Public Information Act (PIA), Chapter 552, Gov't Code. The Proposal and other information submitted to the CPA by the Respondent are subject to release as public information. The Proposal and other submitted information shall be presumed to be subject to disclosure unless a specific exception to disclosure under the PIA applies. If it is necessary for the Respondent to include proprietary or otherwise confidential information in its Proposal or other submitted information, the Respondent must clearly label that proprietary or confidential information and identify the specific exception to disclosure in the PIA. Merely making a blanket claim that the entire Proposal is protected from disclosure because it contains some proprietary information is not acceptable, and shall make the entire Proposal subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Proposal that are considered by the Respondent to be proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA.

If Respondent's proposal contains any information, which Respondent claims is confidential and not subject to release under the PIA, Respondent must prepare and deliver to CPA four CDs containing the following information:

1. Two CDs containing complete copies of all of Respondent's submissions pursuant to this RFO. These shall be marked "Complete Offer Documents, [Offeror's Name], CPA RFO . CONTAINS CONFIDENTIAL INFORMATION."
2. Two CDs, each containing copies of all of Respondent's submissions with all information claimed as confidential excised, blacked out or otherwise redacted. Each of these CDs shall also contain an Appendix which contains clear references to all redacted information including a general description of the redacted information. These CDs shall be marked "For Public Release: Redacted Version of [Offeror's Name], CPA RFO ."

The Respondent, by submitting a Proposal, shall thereby be irrevocably deemed to have fully indemnified and agreed to defend the CPA from any claim of infringement in the intellectual rights of Respondent or any third party for any materials appearing in the Proposal.

B.2.8 Irrevocability of the Proposal

The Proposal is irrevocable for one hundred twenty (120) calendar days following the Proposal Opening Date and Time identified in Part A. This period may be extended at the CPA's request with the Respondent's written agreement.

B.3 CONTRACT INFORMATION

B.3.1 Amending the Contract

Any alterations, additions, or deletions in the Contract or any terms and conditions of the Contract shall be by written amendment executed by both Parties and put into effect with a Contract Amendment issued by the CPA. The Respondent shall not be entitled to payment for any additional services, work, or products that are not authorized by a properly executed Contract amendment.

B.3.2 Order of Precedence

In the event of conflicts or inconsistencies between this contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority: Signed Contract (or Notice of Award), Attachments to the Contract (or Notice of Award), Request for Proposals, and Respondent's Response to Request for Proposals.

B.3.3 Terminating the Contract

B.3.3.1 Convenience of the State of Texas

The CPA reserves the right to terminate the Contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice, if the CPA determines that such termination is in the best interest of the state. In the event of such a termination, the Respondent shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. Customers shall be liable for payments for any goods or services ordered from the Respondent before the termination date.

B.3.3.2 Cause/Default

If the Respondent fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any of the terms or conditions of the Contract, the CPA may, upon written notice of default to the Respondent, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under the Contract.

The CPA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract, or to recover damages for the breach of any agreement being derived from the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless the CPA notifies the Respondent in writing prior to the exercise of such remedy. The Respondent shall remain liable for all covenants and indemnities under the Contract. The Respondent shall be liable for all costs and expenses, including court costs, incurred by the CPA with respect to the enforcement of any of the remedies listed herein.

B.3.3.3 Change in Federal or State Requirements

If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either the CPA or the Respondent cannot reasonably fulfill the Contract and if the Parties can not agree to an amendment that would enable substantial continuation of the Contract, the Parties shall be discharged from any further obligations under the Contract.

B.3.3.4 TCPDP Purchasing Preference

Pursuant to Texas Human Resources Code Chapter 122, state agencies shall purchase products and services meeting the agency's specifications offered by a Community Rehabilitation Program (CRP) certified by the Texas Council on Purchasing from People with Disabilities (TCPDP), or its Central Nonprofit Agency, Texas Industries for the Blind and Handicapped (TIBH). Should any item(s) awarded under any contract pursuant to this RFP become available from a CRP through TIBH or TCPDP during the term of the contract, the state may cease all

use of the awarded contract immediately upon the availability of such product or service, and may terminate the contract for some or all of such products or services awarded.

B.3.3.5 Rights upon Termination or Expiration of Contract

In the event that the Contract is terminated for any reason, or upon its expiration, the CPA and the Customers shall retain ownership of all associated work products and documentation obtained from the Respondent under the Contract.

B.3.3.6 Survival of Terms

Termination of the Contract for any reason shall not release the Respondent from any liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, and invoice and fees verification.

B.3.4 Contract Documentation

The Contract will consist of the Notice of Award, Listing of Awarded Items, and any Contract Amendments thereto issued by the CPA; this RFP, together with any modifications made through Addenda thereto; and the successful Proposal, together with any clarifications thereto that are submitted at the request of the CPA. In the event of any conflict or contradiction between or among these documents, the Notice of Award, as modified by any Contract Amendments, shall control over the RFP and the Proposal. The RFP, as modified by any Addenda, shall control over the Proposal.

B.4 CONTRACT MANAGEMENT

B.4.1 Contract Managers

B.4.1.1 The CPA Contract Manager

The CPA Contract Manager has the authority to:

- sign Controlled Correspondence
- serve as the day-to-day point of contact
- coordinate quality control reviews
- approve invoices
- coordinate meetings with the Respondent
- investigate complaints
- receive requests for substitutions or changes in goods or services awarded under the Contract
- initiate contract amendments
- accept, deny or negotiate pricing changes

B.4.1.2 The Respondent's Contract Manager

The Respondent shall identify its Contract Manager to the CPA in writing within 10 days of the issuance of the Purchase Order. Changes to the Respondent's Contract Manager shall hereafter be documented by the Respondent through Controlled Correspondence. The Respondent's Contract Manager has the authority to:

- make decisions regarding the deliverables required by the Contract
- sign Controlled Correspondence

- serve as the day-to-day point of contact
- coordinate quality control reviews
- coordinate meetings with the CPA

B.4.2 Controlled Correspondence

In order to track and document requests for decisions and/or information pertaining to the Contract, and the subsequent response to those requests, the CPA and the Respondent shall use Controlled Correspondence. The CPA shall manage the Controlled Correspondence for the Contract. For each Controlled Correspondence document, the CPA shall assign a tracking number and the document shall be signed by the appropriate Party's Contract Manager.

Controlled Correspondence shall not be used to change pricing or alter the terms of the Contract. Controlled Correspondence shall not be the basis of a claim for equitable adjustment of pricing. Any changes that involve the pricing or the terms of the Contract must be by a properly executed Contract amendment. However, the Controlled Correspondence process may be used to document refinements and interpretations of the provisions of the Contract, to document the cost impacts of proposed changes, and to document CPA-approved changes to the Respondent's HUB subcontracting plan.

Controlled Correspondence documents shall be maintained by both Parties in on-going logs and shall become part of the normal status reporting process. Any communication not generated in accordance with such process shall not be binding upon the Parties and shall be of no effect.

B.4.3 Notices and Liaisons

B.4.3.1 Delivery of Written Notices

Any notice required or permitted to be given under the Contract by one Party to the other Party shall be in writing and shall be addressed to the receiving Party at the address hereinafter specified. The notice shall be deemed to have been given immediately if delivered in person to the recipient's address hereinafter specified. It shall be deemed to have been given on the date of certified receipt, if placed in the United States mail, postage prepaid, by registered or certified mail with return receipt requested, addressed to the receiving Party at the address hereinafter specified.

B.4.3.2 Notice to the Respondent

Within 10 days of the issuance of the Purchase Order, the Respondent shall identify in writing to the CPA the address and contact person for all notices. If there is any change to this information during the term of the contract, the Respondent shall notify the CPA by Controlled Correspondence.

B.4.4 Subcontracting Approval

The Respondent shall perform the Contract with its own resources and those subcontractors identified in the Respondent's HUB Subcontracting Plan. In the event that the Respondent should determine that it is necessary or expedient to execute additional or alternative subcontracts for any of the performances under the Contract, the Respondent shall submit a revised HUB Subcontracting Plan for prior approval before executing any subcontracts. The Respondent shall also transmit to the CPA for review and prior CPA approval a true copy of the subcontract it proposes to execute with a subcontractor.

The Respondent, in subcontracting for any performances specified herein, expressly understands and acknowledges that in entering into such subcontract(s), the CPA is in no manner liable to any subcontractor(s) of the Respondent. In no event shall this provision relieve the Respondent of the responsibility for ensuring that the performances rendered under all subcontracts are rendered so as to comply with all terms of this RFP and Contract. The Respondent shall manage all quality and performance, project management, and schedules for subcontractors. The Respondent shall be held solely responsible and accountable for the completion of all work for which the Respondent has subcontracted.

B.4.5 No Implied Authority

Any authority delegated to the Respondent by the CPA is limited to the terms of the Contract. The Respondent shall not rely upon implied authority and specifically is not delegated authority under the Contract to: (1) make public policy; (2) promulgate, amend, or disregard CPA program policy; or (3) unilaterally communicate or negotiate, on behalf of the CPA, with any member of the U.S. Congress or any member of their staff, any member of the Texas Legislature or any member of their staff, or any federal or state agency.

B.4.6 Cooperation with the CPA

The Respondent must ensure that it cooperates with the CPA and other state or federal administrative agencies, at no charge to the CPA, for purposes relating to the administration of the Contract. The Respondent agrees to reasonably cooperate with and work with the CPA's contractors, subcontractors, and third party representatives as requested by the CPA.

B.4.7 Dispute Resolution

Chapter 2260 of the Texas Government Code prescribes dispute resolution processes for certain breach of contract claims applicable to certain contracts for goods and services. As required by Chapter 2260, the CPA has adopted rules, codified at 34 TAC §§1.360-1.387. The Respondent shall comply with such rules, as revised from time to time.

The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve any claim for breach of contract asserted by the Respondent under the Contract. If the Respondent's claim for breach of Contract cannot be resolved by the Parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Respondent shall submit written notice, as required by Chapter 2260, to the Deputy Comptroller or his or her designee. The notice shall also be given to the individual identified in the Contract for receipt of notices. Compliance by the Respondent with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Respondent's sole and exclusive process for seeking a remedy for an alleged breach of Contract by the CPA if the Parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. Neither the execution of the Contract by the CPA nor any other conduct of any representative of the CPA relating to the Contract shall be considered a waiver of sovereign immunity to suit.

For all other specific breach of contract claims or disputes under the Contract, the CPA and the Respondent shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by the CPA and the Respondent within fifteen (15) days after written notice by one of them demanding mediation under this Section. The Respondent shall pay all costs of the mediation unless the CPA, in its sole good faith discretion, approves its payment of all or part of such costs. By mutual agreement, the CPA and the Respondent may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that the CPA and the Respondent shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. The CPA's participation in, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by the CPA of (1) any rights, privileges, defenses, remedies or immunities available to the CPA as an agency of the State of Texas or otherwise available to the CPA; (2) the CPA's termination rights; or (3) other termination provisions or expiration dates of the Contract.

Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the CPA, the Respondent shall continue performance and shall not be excused from performance during the period any breach of contract claim or dispute is pending under either of the above processes; however, the Respondent may suspend performance during the pendency of such claim or dispute if the Respondent has complied with all provisions of §2251.051, Gov't Code, and such suspension of performance is expressly applicable and authorized under that law.

B.4.8 Fraud, Waste, and Abuse

By submitting a Proposal to the RFP, the Respondent represents and warrants that it has read and understood and shall comply with CPA's Anti-Fraud Policy, found at: <http://www.window.state.tx.us/ssv/ethics.html>, as such Policy currently reads and as it is amended throughout the term of the Contract.

B.4.9 Renegotiation of Price

The CPA shall monitor market prices and prices paid by other states for substantially similar goods and services during the term of the Contract. If the CPA determines that substantially similar goods and services are selling for meaningfully lower prices than the prices established in the Contract, the CPA may initiate price renegotiations with the Respondent and amend the Contract to reflect a new, lower price, if agreed to by the Parties.

B.4.10 Name Changes and Sales

If the Respondent changes its name or is sold to another entity, it must notify the CPA through Controlled Correspondence. The Respondent, in its notice, shall describe the circumstances of the name change or sale, state its new name, provide the new Tax Identification Number, and describe how the change will impact its ability to perform the Contract. If the change entails personnel changes for personnel performing the responsibilities of the Contract for the Respondent, the Respondent shall identify the new personnel and provide resumes to the CPA, if resumes were originally required by the RFP. The CPA may request other information about the change and its impact on the Contract and the Respondent shall supply the requested information within five (5) working days of receipt of the request.

The CPA may terminate the Contract due to a sale of or change to the Respondent that materially alters the Respondent's ability to perform under the Contract. The CPA has the sole discretion to determine if termination is appropriate.

B.4.11 News Releases

The CPA does not endorse any vendor, commodity, or service. News releases pertaining to this transaction and/or advertisements, publications, declarations and any other pronouncements by the Respondent using any means or media mentioning the State of Texas or the CPA must be approved in writing by the CPA prior to public dissemination. Respondent may not send out unsolicited electronic mail or facsimile transmissions to CPA and/or customer entities without prior written approval of the CPA Contract Manager, regardless of whether the proposed communication specifically references the awarded contract.

B.5 FINANCIAL INFORMATION

B.5.1 Appropriations

All obligations of the CPA and Customers are subject to the availability of legislative appropriations and, for Customers expending federal funds, to the availability of the federal funds applicable to the Contract. The Respondent acknowledges that the ability of the CPA and the Customers to make payments under the Contract is contingent upon the continued availability of funds. The Respondent further acknowledges that funds may not be specifically appropriated for the Contract and the CPA's or Customers' continual ability to make payments under the Contract is contingent upon the funding levels appropriated for each particular appropriation period. The CPA and the Customers will use all reasonable efforts to ensure that such funds are available. The Respondent agrees that if future levels of funding for the CPA or a Customer are not sufficient to continue operations without any operational

reductions, the CPA or the Customer, in its discretion, may terminate the Contract or a pending order under the Contract, either in whole or in part. In the event of such termination, the CPA or the Customer will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The CPA and the Customer shall make best efforts to provide reasonable written advance notice to the Respondent of any such Contract or order termination. In the event of such a termination, the Respondent shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination, either on that particular order if an order is being terminated, or the Contract, if the Contract is being terminated. The CPA or the Customer shall be liable for payments limited only to the portion of work the CPA or the Customer authorized in writing and which the Respondent has completed, delivered to the CPA or Customer, and which has been accepted by the CPA or Customer. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.

B.5.2 Audit Requirements

Pursuant to §2262.003, Gov't Code, the State Auditor's Office, or successor agency, may conduct an audit or investigation of the Respondent or any other entity or person receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds by the Respondent or any other entity or person directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the State Auditor's Office, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Respondent or other entity that is the subject of an audit or investigation must provide the State Auditor's Office with access to any information the State Auditor's Office considers relevant to the investigation or audit. The Contract may be amended unilaterally by the CPA to comply with any rules and procedures of the State Auditor's Office in the implementation and enforcement of §2262.003. **The Respondent shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Respondent and the requirement to cooperate is included in any subcontract it awards.**

Customers who order under the Contract using federal or grant funds may have additional audit requirements that are required by law or regulation. Those additional requirements will be included on the purchase order for that particular order.

B.5.3 Invoicing and Payment Requirements

In order to receive payment under the Contract, the Respondent must submit an original invoice to the Customer placing the order, which will be designated in the purchase order as the "Bill To" address. To be a proper invoice that may be accepted and paid, the invoice must include the following information and/or attachments:

- (1) Name and address of the Respondent.
- (2) The Respondent's Texas Identification Number (TIN).
- (3) The Respondent's invoice remittance address.
- (4) The purchase order number authorizing the delivery of products or services.

- (5) A description of what the Respondent delivered, including, as applicable, the time period, serial number, unit price, quantity, and total price of the products and services. If the invoice is for a lease, the Respondent must also include the payment number (e.g., 1 of 36).

If an authorized dealer has fulfilled the purchase order, then the dealer's information should be supplied in lieu of the Respondent's information.

If an invoice does not meet this Section's requirements, the state will send the Respondent written notice with the improper invoice within 21 calendar days after receipt of the invoice. The notice will contain a description of the defect or impropriety and any additional information the Respondent needs to correct the invoice.

NOTE: For purposes of this Section and Sections B.5.4 and B.5.5, the CPA shall only be receiving and paying invoices when the CPA has placed an order with the Respondent for CPA needs. Otherwise, the orders will be for the Customers, as defined in Section B.1.2.

B.5.4 Disputed Invoices

As stated above, the Respondent will receive notice of an error in an invoice submitted for payment by not later than the 21st day after the date the invoice was received by the state. If an invoice dispute is resolved in favor of the Respondent, the Respondent is entitled to receive interest on the unpaid balance of the invoice, beginning on the date the invoice became overdue, pursuant to §2251.021, Gov't Code. If a dispute is resolved in favor of the CPA or a Customer, the Respondent shall submit a corrected invoice that must be paid in accordance with §2251.021. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date.

B.5.5 Time and Manner of Payment

Pursuant to Texas Government Code Chapter 2251, Payment by the CPA or a state entity Customer is overdue on the 31st day after the later of: (1) the date the CPA or Customer receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the CPA or Customer receives the invoice for the goods or service.

Payment by a political subdivision Customer whose governing body meets only once a month or less frequently is overdue on the 46th day after the later event of: (1) the date the Customer receives the goods under the Contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Customer receives the invoice for the goods or service.

B.5.6 Antitrust and Assignment of Claims

Pursuant to Texas Government Code §2155.005, the Respondent affirms that the Respondent and any person, firm, corporation, partnership, or institution represented by the Respondent, and any person or entity representing the Respondent (1) have not violated the antitrust laws of Texas (Tex.Bus. & Com.Code §15.01, *et seq.*) or the United States (15 U.S.C. §1 *et seq.*); and (2) have not, directly or indirectly, communicated Respondent's Proposal for the Contract, or any pertinent portion thereof, to any competitor or any other person engaged in such line of business.

The Respondent hereby assigns to the State of Texas all of Respondent's rights, title and interest in and to all claims and causes of action Respondent may have under the antitrust laws of Texas or the United States for overcharges associated with the Contract.

B.5.7 Debts and Delinquencies

As required by §2252.903, Gov't Code, the Respondent agrees that any payments due under the Contract shall be directly applied towards eliminating any debt or delinquency including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support.

B.5.8 Liability for and Payment of Taxes

The CPA and certain Customers are exempt from State Sales tax and Federal Excise tax. Customers will furnish Tax Exemption Certificate(s) to the Respondent upon request. The Respondent shall pay all taxes resulting from the RFP and Contract including but not limited to any federal, state or local income, sales, excise or property taxes. The CPA and the Customers shall not be liable to reimburse the Respondent for the payment of such taxes incurred by the Respondent in acquiring any goods or services as a part of any work called for in this RFP and the Respondent's invoice shall not include any amount for such taxes, as long as the Customer has provided the requested Tax Exemption Certificates.

B.5.9 Method of Purchase and Vesting Ownership

All goods or services purchased pursuant to the Contract shall be purchased using an outright purchase. Upon installation, acceptance, and payment, the Customer shall receive title to any personal property delivered pursuant to the purchase, except as otherwise agreed to in the Contract.

B.5.10 No Debt Against the State

The Contract shall not be construed as creating any debt by or on behalf of the State of Texas.

B.5.11 Refunds

If the CPA determines that it or a Customer has overpaid the Respondent under the Contract, the Respondent shall refund that amount to the CPA or Customer, depending on the entity that overpaid. The CPA or Customer may offset and deduct the amount of the overpayment from any amount owing, as a reimbursement, but unpaid to the Respondent. The Respondent shall refund any overpayment within 30 calendar days of receipt of the notice of the overpayment.

If any reimbursement, or a portion of a reimbursement, is disallowed as a result of an audit finding that the Respondent failed to follow the requirements for the Contract, then the Respondent agrees that the CPA or Customer may recoup the disallowed amount from funds payable under the Contract, to the extent the disallowed amount was incurred by the CPA or Customer. If an audit identifies a disallowed amount after the expiration date of the Contract, the CPA or Customer shall send the Respondent notice of the audit results and specifically identify the amount that must be refunded by the Respondent. The Respondent shall refund the disallowed amount within 30 calendar days of receipt of the notice.

B.5.12 Travel

Any travel or per diem required by the Respondent to perform its obligations under the Contract will be at the Respondent's expense. All travel and per diem that the state requests in addition to what the Contract requires the Respondent to provide at the Respondent's expense will be paid in accordance with State of Texas Travel Allowance Guide.

B.5.13 Direct Deposit

The Texas Comptroller of Public Accounts encourages vendors to receive payment by direct deposit. To receive future payments by direct deposit, vendors should download and fill out the New Setup Direct Deposit/Advance Payment Notification, Form 74-207 available at www.txdirectdeposit.org.

Vendors may request Advance Payment Notification by fax or e-mail. This feature includes notification one business day before the deposit posts to the vendor's bank account. It also provides the amount of the deposit and which agency it came from. Vendors may also receive remittance information with the notification.

B.6 CONFIDENTIALITY AND SECURITY

The Respondent should not receive any sensitive or confidential information under the Contract. Any information the Respondent compiles or creates as a result of the Contract must be maintained and protected in accordance with any federal, state, or local laws and regulations that apply. The Respondent shall establish a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations.

The obligations of the Contractor under this Security and Confidentiality Article shall survive this Contract and shall be included in all subcontracts.

B.7 TERMS AND CONDITIONS

B.7.1 Affirmations

Submitting a Proposal with a false statement is a material breach of contract and shall void the Proposal or the Contract, and the Respondent shall be removed from all bid lists. By signature thereon affixed, the Respondent thereby certifies that:

B.7.1.1 The Respondent has not given, offered to give, and does not intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with the submitted response. Violation of this requirement may result in the termination of the Contract at the discretion of the CPA.

B.7.1.2 The CPA is subject to the provisions of the Texas Public Information Act. Contractor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. If a request for disclosure of this Contract or any information related to the goods or services provided under the Contract or information provided to the CPA under this Contract constituting a record under

the Act is received by the CPA, the information must qualify for an exception provided by the Texas Public Information Act in order to be withheld from public disclosure. The Respondent authorizes the CPA to submit any information contained in the Contract, provided under the Contract, or otherwise requested to be disclosed, including information Respondent has labeled as confidential proprietary information, to the Office of the Attorney General for a determination as to whether any such information may be excepted from public disclosure under the Act. If the CPA does not have a good faith belief that information may be subject to an exception to disclosure, the CPA is not obligating itself by this Contract to submit the information to the Attorney General. It shall be the responsibility of the Respondent to make any legal argument to the Attorney General or appropriate court of law regarding the exception of the information in question from disclosure. The Respondent waives any claim against and releases from liability the CPA, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by the Respondent and determined by the Attorney General or a court of law to be subject to disclosure under the Texas Public Information Act.

B.7.1.3 The Respondent shall promptly notify the CPA in the event that any representations and warranties provided in this Contract are no longer true and correct. The Respondent acknowledges that all of its representations and warranties contained in any part of its Proposal and this Contract are material and have been relied upon by the CPA in selecting the Respondent for the award of the Contract. Further, the Respondent warrants and represents that all of its statements and representations made to the CPA prior to being awarded the Contract, and those made during the negotiation of this Contract, are material, true and correct.

B.7.2 Civil Rights

The Respondent agrees that no person shall, on the ground of race, color, religion, sex, national origin, age, disability, political affiliation, or religious belief, be excluded from the participation in, be denied the benefits of, be subjected to discrimination under, or be denied employment in the administration of, or in connection with, any program or activity funded in whole or in part with funds available under this Contract. The Respondent shall comply with Executive Order 11246, "Equal Employment Opportunity," as amended by Executive Order 11375, "Amending Executive Order 11246 relating to Equal Employment Opportunity," and as supplemented by regulations at 41 C.F.R. A waiver by a Party of any breach of any term of the Contract will not be construed as a waiver of any continuing or succeeding breach.

If any provision of the Contract is construed to be illegal or invalid, such construction will not affect the legality or validity of any of its other provisions. The Respondent agrees that the Contract in all respects shall be governed by and construed in accordance with the laws of the State of Texas, except for its provisions regarding conflicts of laws. The Respondent also agrees that the exclusive venue and jurisdiction of any legal action or suit concerning the CPA under this Contract is, and that any such legal action or suit shall be brought, in a court of competent jurisdiction in Travis County, Texas.

The Respondent shall give all notices and comply with all laws and regulations applicable to furnishing and performance of the Contract. Except where otherwise expressly required by applicable laws and regulations, CPA shall not be responsible for monitoring Respondent's compliance with any laws or regulations. If Respondent performs any work knowing or having reason to know that it is contrary to laws or regulations, Respondent shall bear all claims, costs, losses and damages caused by, arising out of or resulting therefrom.

B.7.24 Change Management

The Respondent agrees that the key personnel assigned to the Contract shall remain available for the entirety of the project throughout the term of the Contract as long as that individual is employed by the Respondent or unless the CPA agrees to a change in the key personnel.

B.7.25 Federal, State, and Local Requirements

Respondent shall demonstrate on-site compliance with the Federal Tax Reform Act of 1986, Section 1706, amending Section 530 of the Revenue Act of 1978, dealing with issuance of Form W-2's to common law employees. If awarded the contract, Respondent has a continuing duty to amend, supplement or correct this representation and warranty not later than ten (10) days after discovering additional information relating to felony criminal convictions of Respondent or any of its employees. Respondent shall not allow any employee convicted of a felony criminal offense to perform tasks related to the contract without such disclosure and express permission from CPA.

A: Contractors shall provide the same discount to all customers per category.
