Turbine	6"							
Compound	8"	\$ 272,073.00	\$ 136,921.00	\$ 408,994.00	\$ 483,943.00	\$ 306,718.00	\$ 790,661.00	93%
Turbine	8"							
Compound	10"	\$ 391,105.00	\$ 196,823.00	\$ 587,928.00	\$ 695,676.00	\$ 440,911.00	\$ 1,136,587.00	93%
Turbine	10"							

Notes:

1. Due to increased meter efficiencies, this report eliminates the types of meters and only assesses fees on meter size.
2. There has not been a 12" meter installed in the City. If in the future a 12" meter is to be installed, a separate report/study will need to take place to determine needed CRFs
