Dear Mr. Sims:

On behalf of MHWS Development, LLC, we are requesting formal acceptance of the referenced project at the June 14, 2016 City Council meeting. Please find attached the Engineer's Certificates of Completion. We also request commencement of the one-year warranty acceptance period of the facilities, and at the end of such time, acceptance of same into the City's maintenance system.

To the best of my knowledge and belief, and based on field observation under my supervision, this project was constructed within acceptable tolerances and conforming substantially to the approved plans and specifications. Within 15 days of the date of this request, we will provide the City with Record Drawings of this project.
