Engineering Report to Texas Commission on Environmental Quality Bond Application No. 5 Bay Colony West Municipal Utility District

Alan D. Hirshman, P.E.

District Engineer

April 27, 2016

Texas Commission on Environmental Quality P. O. Box 13087 Capitol Station Austin, Texas 78711

Gentlemen:

The attached report is submitted to provide the required data for Bond Application No. 5 for Bay Colony West Municipal Utility District. The Bond Application is being submitted showing cost summaries to support a 100% reimbursement in the amount of \$4,300,000. A bond rating and insurance for this bond issue is anticipated. The proposed bond installment relates to water, wastewater, drainage, engineering, and other soft costs related to such to serve the District.

We trust that the information submitted fulfills the requirements of the Commission. If you have any questions or require further information, please contact me at your convenience.

Very truly yours,

Alan D. Hirshman, P.E.

District Engineer

BAY COLONY WEST MUNICIPAL UTILITY DISTRICT GALVESTON COUNTY \$4,300,000 – 100% REIMBURSEMENT FIFTH BOND ISSUE

SECTION 1 — GENERAL INFORMATION

Laws, Elections, and Acreage:

- (i) Authority Creating District: Bay Colony West Municipal Utility District (MUD) was created by order of the Texas Commission on Environmental Quality on March 2, 2004.
- (ii) Governing Law: The District was created and the District operates under Chapter 49 and under the terms and conditions of Article XVI, Section 59, of the Constitution of Texas and Chapter 54 of the Texas Water Code, together with all amendments and additions thereto.
- (iii) Confirmation Election: The creation of the District was confirmed at an election on November 2, 2004 by a vote of 2 to 0. (SEE ATTACHMENT 1)
- (iv) Acreage: At creation of the District contained 337.69 acres in northern Galveston County. On June 22, 2004, 194.48 acres were annexed into the District, and on August 16, 2006, 5.058 acres were annexed into the District. The annexation orders with metes and bounds for the listed annexations are provided as ATTACHMENT 2. The current District acreage is approximately 537.228 acres.
- (v) **Boundary Map:** A current district boundary map is included as ATTACHMENT 3.

(B) <u>Location:</u>

Bay Colony West Municipal Utility District is located in Northern Galveston County along F.M. 517, North of State Highway 6, West of Interstate 45, and South of F.M. 518. The entire District lies within Galveston County and the City of League City.

The District is composed of five tracts of 125.74 acres, 94.29 acres, 117.66 acres, 194.48 acres, and 5.058 acres for a total of 537.228 acres in the Perry and Austin Upper League, Abstract No. 19. F.M. 517 is located along the Southern boundary of the site. The Eastern boundary is adjacent to Galveston County MUD No. 14 & 15. The Western boundary includes a subdivision and undeveloped acreage. The Northern boundary is undeveloped acreage.

ATTACHMENT IV shows the location of the District with respect to Galveston County.

SECTION 2 — PROPOSED BOND ISSUE

(A) Purpose:

The District exists to provide water, sanitary sewer, and storm sewer service to the property within its boundaries. The District has previously and is currently constructing these facilities to allow for the orderly development of the property and service to the public.

The District proposes, with proceeds from this bond issue, to reimburse the developer for portions of design and construction of: Underground Utilities to serve Bay Colony Meadows West, Section 1&2, Underground Utilities to serve Enclave at Bay Colony, Section 1, Phase I, Underground Utilities to serve Enclave at Bay Colony, Section 1, Phase II, Underground Utilities for Calder Road Extension to F.M. 517, Underground Utilities to serve Bay Colony Pointe West, Section 4, Underground Utilities to serve Bay Colony Pointe West, Section 5, Underground Utilities to serve Bay Colony Meadows, Section 3, Phases 1, and Underground Utilities to serve Bay Colony Pointe West, Section 1, Phase I; for material testing fees, geotechnical fees, survey fees, engineering fees, storm water prevention pollution fees, weekly site inspection fees, and impact fees. A detailed listing is found in *Section 4 Summary of Costs*.

(B) **Bond and Maintenance Tax Authorization:**

(i) Bond Authorization:

On November 2, 2004, the voters of the District authorized issuance of \$44,000,000 in bonds. The total amount of bonds authorized by the voters is \$44,000,000.

DATE OF			AMOUNT
ELECTION	PURPOSE	AMOUNT APPROVED	CANCELED
11/12/2004	Water, Wastewater, Drainage	\$44,000,000	\$0

(ii) Maintenance Tax:

On November 2, 2004, the voters of the District authorized a maximum maintenance tax of \$1.50/\$100. The tax is authorized to be applied to maintenance purposes, including funds for planning, maintaining, repairing, an operating all necessary plants, works, facilities, improvements, appliances, and equipment of the district and for playing costs of proper services, engineering and legal fees, organization, and administration expenses. A copy of the order calling the election and the order canvassing the results of the maintenance tax election is provided by labeled ATTACHMENT I.

		MAXIMUM TAX	CANCELED
DATE OF		APPROVED	PRIOR
ELECTION	PURPOSE	(per each \$100 of AV)	AUTHORIZATION
11/2/2004	General Operating	\$1.50	

(C) **Prior Bond Issues:**

The previous and proposed bond issues are listed below:

BOND			
ISSUE NO.	AMOUNT	DATE	AMOUNT SOLD
1	\$2,560,000	January, 2007	\$2,560,000
2	\$3,065,000	September, 2008	\$3,065,000
3	\$4,185,000	February, 2011	\$4,185,000
4	\$4,800,000	March, 2015	\$4,800,000
5	\$4,300,000	March, 2016	Proposed
TOTAL:	\$18,910,000		\$14,610,000

The amount of remaining voted, but unissued bonds, assuming the sale of this proposed bond issue is \$25,090,000.

At this time, it is the opinion of the District's Engineer that the remaining authorized but unissued bonds will be sufficient to complete the development within the District.

(D) Type:

The voters of the District have approved unlimited tax bonds. The District seeks Commission approval to issue unlimited tax bonds.

(E) Interest Rate:

The District petitions the Commission's approval of a 4.50% interest rate for this proposed issuance of bonds.

(F) <u>Land-Use Plan:</u>

Each development within the District will benefit from prior development in the District. The utilities are designed so extensions can be made as development continues in the future. This method allows for propagation of District utilities to new sections of development for an organized and orderly development within the District.

ATTACHMENT VI shows all previous and proposed bond projects through this bond issue.

(G) Recreational Facilities:

There are not any recreational facilities proposed in this bond issue.

(H) Roads:

Does the District have authority to fund roads? Yes x No.

SECTION 3 FACILITIES PROPOSED FOR FUNDING

(A) Purchase of Existing Facilities and/or Assumption of Existing Contracts:

The following is a detailed list of facilities to be purchased by the District under this bond issue:

CONTRACT DESCRIPTION	CONTRACTOR	PERCENT COMPLETE (DATE)	TOTAL CONTRACT AMOUNT	DISTRICT SHARE	
Bay Colony West	SER

Section 3, Phase I	LLP	100 /0	ψ1,330,743.00	-	(10)

Notes:

(1) The original contract amount for Bay Colony West Meadows, Section 1&2 underground is \$1,736,895. There was a mistake in the amount \$4,400.00 issued in the contract. The revised contract amount became \$1,732,495.00. *Change Order No. 1* was issued in the amount of \$237,064.42 to accommodate for unforeseen wet sand construction and quantity adjustments for sanitary sewer; water, storm sewer, and storm water pollution prevention quantity adjustments; and a utility boring. The final contract amount was \$1,969,559.12. In Bond Issue Number 3 the district funded the clearing and grubbing, water and wastewater facilities, and *change order no. 1* pertaining to the items that were funded. The TCEQ deemed \$39,000 non-reimbursable pertaining to the ineligible Clearing and Grubbing per the Commissions rule 293.44(a)(3). The total amount funded in Bond Issue No. 3 was \$846,904.00 with a remaining balance of 1,083,655.00 (1,969,559.12 - \$846,904.00-\$39,000). In Bond Issue Number 4 the district funded fifty percent of \$1,083.655.00 in drainage facilities. The total amount funded in Bond Issue No. 4 was \$541,827.00 with a remaining balance of 541,827.50 (1,969,559.12 - \$864,904.00 - \$541,827.50-\$39,000). In a Surplus Funds Application submitted to the TCEQ on February 2016 the district requested to fund the remaining fifty percent of \$1,083.655.00 in drainage facilities. The total amount funded in the February 2016 Surplus Funds Application was

\$541,827.50 with a zero remaining balance (1,969,559.12 - \$864,904.00 - \$541,827.50 - \$541,827.50 - \$39,000). The District is requesting that the material testing fees, engineering fees, storm water prevention fees, and developer interest, and capital recover fees to be funded in this bond issue and remaining capital recovery fees will be covered in future applications.

- (2) The original contract was in the amount of \$808,656.50 for Enclave, Section 1, Phase I underground utilities with adjustments in final quantities the total final contract amount was \$691,502.50. In Bond Issue No. 4 the district funded 100 percent of the water distribution. The total amount funded in Bond Issue No. 4 was \$131,647.00 with a balance of 559,855.25 (691,502.25 131,647.00). The District is requesting to fund 100% of the remaining balance which pertain to wastewater and drainage facilities. The total amount that the District is requesting to fund in this current Bond Issue is \$559,855.25
- (3) The original contract was in the amount of \$220,150.00 for Enclave, Section 1, Phase II underground utilities with the adjustments in final quantities the total final contract amount was \$206,525.50. The total amount that the District is requesting to fund in this current Bond Issue is \$206.525.50
- (4) The original contract was in the amount of \$180,250.00 for Enclave, Section 1, Phase II underground utilities with the adjustments in final quantities. There was a mistake in the amount \$1,040.00 issued in the contract. The revised contract amount was \$179,210.00. *Change Order No. 1* was issued in the amount of \$500.00 to accommodate with the removal and haul off of builder debris on proposed lots. The revised contract amount after the issued was *Change Order No. 1* was \$179,710.00 with adjustments in the final quantities the total final contract amount was \$177,310.00. Excludes \$500.00 pertaining to the removal and haul off of builder debris on proposed lots *Change Order No. 1* because it is non-reimbursable item so the total amount that the District is requesting to fund in this current Bond Issue is (\$177,310.00-\$500.00) \$176,810.00.
- (5) The original contract amount for the Calder Road Extension to F.M. 517 underground utilities is \$219,143.06. Change Order No. 1 was issued in the amount of \$10,042.91 to accommodate for extra work items: 2-inch x 24-inch short side water tap, remove and replace valve boxes with adjustable valve box and PVC risers, and repaint existing Flushing Valve per City of League City specifications; Sanitary Sewer Items: core hole in existing sanitary sewer manhole, 10-inch sanitary sewer drop connection, extra depth for 10-inch drop connection, plug for sanitary sewer manhole #12-3, 10-inch PVC-SDR-26-CL 160(0-6 feet), replace barbed wire fence, sanitary sewer rock for wet sand, and 8inch PVC-SDR-26-CL 160(0-6 feet), and quantity adjustments for sanitary sewer. Change Order No. 2 was issued in the amount of \$9,457.42 to accommodate for extra work items: mobilization and demobilization, remove existing butterfly valves, install 24-inch Flanged Gate Valve & Box, Remove and Reinstall 24-inch x 12-inch reducer, and Connect existing 12-inch waterline including CL2. The revised contract amount after Change Orders No. 1 & 2 is (\$219,143.06+\$10,042.91+\$9,457.42) \$238,643.39 with adjustments in final quantities the total final contract amount was \$234,055.80. In the 2012 Surplus Funds Application the district funded the 100% of Sanitary Sewer and Change Order No. 2. The total amount funded in June 2012 Surplus Application was \$57,886.40 with a balance of 176,169.76 (\$234,055.80 - \$57,886.04). The District is requesting to fund 100% of the remaining balance which pertains to water distribution, storm drainage, storm water prevention pollution plan, and change order no. 1. Excludes \$5,600.00 for the removal of barbed wire fence in the Section F, Clearing and Grubbing is a non-reimbursable item and \$4,544.00 pertaining to replacing the barbed wire fence in Change Order No. 1 because it is a non-reimbursable item so the total amount that the

District is requesting to fund in this current Bond Issue is (176,196.76-\$5,600.00-\$4,544.00) \$166,025.76.

- (6) The original contract amount for Bay Colony Pointe West, Section 4 underground utilities is \$524,844.70. *Change Order No. 1* was issued in the amount of \$19,650.95 to accommodate for unforeseen wet sand construction and quantity adjustments for water distribution and sanitary sewer. *Change Order No. 2* was issued in the amount of \$8,570.25 to accommodate quantity adjustments for sanitary sewer and storm drainage. The revised contract amount after *Change Orders No. 1 & 2* is (\$524,844.70+19,650.95+8,570.25) \$553,065.90 with adjustments in final quantities the total final contract amount was \$544,328.20. The total amount the District is requesting to fund in this current Bond Issue is \$544,328.20
- (7) The original contract amount for Bay Colony Pointe West, Section 5 underground utilities is \$130,705.00. *Change Order No. 1* was issued in the amount of \$12,530.00 to accommodate for Sanitary Sewer Items: 8-inch PVC-SDR 26 ASTM D-2241 (0-6 feet depth), 8-inch PVC-SDR 26 ASTM D-2241 (16-18 feet depth), Type I Sanitary Sewer Manhole, Drop Structure and quantity adjustments for sanitary sewer. The revised contract amount after *Change Orders No. 1* is (\$130,705.00+12,530.00) \$143,235.00 with adjustments in final quantities the total final contract amount was \$143,235.00. The total amount the District is requesting to fund in this current Bond Issue is \$143,235.00
- (8) The original contract amount for Bay Colony Pointe West, Section 6 underground utilities is \$270,139.00 with adjustments in final quantities the total final contract amount was \$249,439.00. The total amount the District is requesting to fund in this current Bond Issue is \$249,439.00.
- (9) The original contract amount for Bay Colony Meadows West, Section 3, Phase I underground utilities was for \$445,112.28, with the addition of *Change Order No. 1* in the amount of \$6,352.60 and with adjustments in final quantities the final contract amount was \$451,463.88. *Change Order No. 1* included quantity increase in water facilities, construction entrance, waterline bore, HDPE interceptors, and removal of sidewalk. Excludes the \$16,642.50 remaining non reimbursable amount was for the removal of fence and haul off in the miscellaneous section. In Bond Issue Number 4 the District only funded 100% of the sanitary sewer facilities, storm water prevention pollution prevention, and change order no. 1. The total amount funded in Bond Issue No. 4 was \$142,486.40. The District only request to fund 50% of the offsite water and requests that remaining 50% of the offsite water distribution, water distribution, and storm drainage facilities be reimbursed in future applications. The total amount the District is requesting to fund in the current Bond Issue is \$26,710.39. With a balance of \$265,624.19 (\$451,463.88-\$142,486.40-16,642.50) to be requested in future applications.
- (10) The original contract amount for Bay Colony Pointe West, Section 3, Phase I underground utilities was for \$1,549,300.28, with the addition of *Change Order No. 1* in the amount of \$9,448.40. The final contract amount was \$1,558,748.68. *Change Order No. 1* included quantity increase in water facilities, construction entrance, waterline bore, HDPE interceptors, and removal of sidewalk. In Bond Issue No. 4 the District only funded 100% of the offsite water distribution, storm water prevention pollution plan, and *Change Order No. 1*. The total amount funded in Bond Issue No. 4 \$90,020.13. The District only requests to fund Water and Wastewater Impact Fees and requests that the extra work and water distribution, sanitary sewer and storm drainage facilities be reimbursed in future applications. The Remaining balance of \$1,468,728.55 (\$1,558,748.68-\$90,020.13) to be requested in future applications.

(B) <u>Facilities to be Constructed:</u>

All facilities for this bond issue are at 100% complete.

 Bay Colony West Meadows, Section 1&2. In Bond Issue Number 3 the district funded the clearing and grubbing,
 water and wastewater facilities, and change order no. 1 pertaining to the items that were funded. The total amount funded in
 The TCEQ deemed \$39,000 non-reimbursable pertaining to the ineligible Clearing and Grubbing per the Commissions rule
 293.44(a)(3). Bond Issue No. 3 was \$846,904.00 with a balance of 1,083,655.00 (1,969,559.12 \$864,904.00 \$39,000.00).
 In Bond Issue Number 4 the district funded fifty percent of \$1,083.655.00 in drainage facilities. The total amount funded
 in Bond Issue No. 4 was \$541,827.00 with a remaning balance of 541,827.50.
 (1,969,559.12 \$864,904.00 \$541,827.50-\$39,000.00). The total amount funded in the February 2016 Surplus Funds
 Application was \$541,827.50 with a zero remaining balance (1,969,559.12 \$864,904.00 \$541,827.50 \$541,827.50-\$39,000).
 The District is requesting that the material testing fees, engineering fees, storm water prevention fees, and developer interest,
 and capital recovery fees to be funded in this bond issue and remaining capital recovery fees will be covered in future applications.

(E) <u>Historical Build-Out:</u>

The District was created on March 2, 2004.

(F) Floodplain Information:

A 6.9-acre portion of the District did lie within the 100-year flood plain according to Federal Emergency Management Agency Flood Insurance Rate Maps No, 4854880030E, dated September 22, 1999, as shown in ATTACHMENT 18. A LOMR was filed with FEMA to remove the 6.9-acres from the flood plain. The Flood Insurance Rate Map for the community was revised by the LOMR on March 31, 2006. According to these maps an additional 11 acres lies within Zone X, within the 500 year flood plain and the remainder of the District lies in Zone X, outside the 500 year flood plan.

(i) What is being done (if anything) to remove the areas of the District, if any, currently in the official floodplain?

A LOMR was filed with FEMA and approved to remove the 6.9-acres from the flood plain by fillwork. The area has since been removed from the flood plain and the LOMR has been approved by FEMA. Refer to labeled ATTACHMENT 38 for this LOMR and the approval letter.

- (ii) Are any of the improvements proposed for purchase or construction funding through the proceeds of this bond issue currently in the official floodplain? __Yes __ No.
- (iii) Are areas currently in the official floodplain used in the build-out projections used to support this bond issue? __Yes <u>\nu_No.</u>
- (iv) Who is charged with maintaining minimum floor slab elevations in the District area? City of League City
- (v) Are any sites or easements to be funded in the bond issue currently in the floodplain? ____Yes ___No.

SECTION 6 — SOURCE OF WATER SUPPLY, WASTEWATER TREATMENT FACILITIES, AND STORM-WATER DRAINAGE FACILITIES

(A) Water Supply:

- (i) Water Supply Source:
 - (a.) Ground Water: The District acquires all of its water supply from the City of League City, which provides treated surface water.
 - (b.) Surface Water: The District acquires all its water supply from the City of League City, which provides surface water. See ATTACHMENT 22 for a letter from League City regarding existing capacities.
- (ii) Water Supply Facilities Inventory: NOT APPLICABLE since water comes from the City of League City. See labeled ATTACHMENT 22.
- (iii) Interconnects: This District is tied directly to the City of League City water system.

(iv) The City of League City water supply is capable of serving 1,752 ESFCs, which is sufficient to serve the current total of ESFCs necessary to support the feasibility of this proposed bond issue.

(B) Wastewater Treatment:

- (i) Wastewater Treatment Facilities: The City of League City provides permanent wastewater capacity for the District. The in-place trunk lines transport the flow to the League City Dallas Salmon wastewater plant (TNRCC Permit No. WQ10568-005). The District currently shares with Galveston County Municipal Utility District No. 14 a commitment for the City in the current Dallas Salmon Facility for approximately 4,014 connections. Of this amount, 1,752 connections are committed to Bay Colony West Municipal Utility District (See ATTACHMENT 22). This commitment can be expanded as needed with payment of wastewater capital recovery fees to League City and any required lift station improvements. ATTACHMENT 22 contains a letter from League City documenting the plant's available capacity.
- (ii) A copy of executed contracts for capacity being leased to or from, sold to, or purchased from another the City of League City is provided as a labeled ATTACHMENT 26.
- (iii) The District's wastewater capacity is capable of serving 1,752 ESFCs, which is sufficient to serve the 872 ESFCs necessary to support the feasibility of this proposed bond issue. There is an existing lift station within Galveston County Municipal Utility District No. 14 (GCMUD No. 14) that has capacity for the development. League City Engineering has recommended that the District construct a collection system within the development and tie into the Bay Colony West lift station which pumps to the GCMUD No. 14 lift station. League City has informed us that the existing Wastewater Treatment Plant has capacity for the new development.

(C) Storm-Water Drainage Facilities:

- (i) In general, all the land in which the District lies drains directly by sheet flow into the primary channel of the respective watersheds, Borden's Gully and Magnolia Bayou. There are no major tributaries or other minor channels of the primary channel that convey runoff from the land in the District.
- (ii) The District's development will be served by storm sewer, which will discharge into the detention basin. Borden's Gully will be improved from an existing drop structure, which will be removed to approximately 1,960-ft upstream, where a new drop structure will be placed. The improvement section will have a 10-foot bottom, 5-to-1 side slopes and a grade of 0.05%. Magnolia Bayou will be improved in future bond issues.
- (iii) This bond issue shall reimburse storm drainage facilities for Enclave at Bay Colony, Section 1, Phase I, Enclave at Bay Colony, Section 1, Phase II, Enclave at Bay Colony, Section 1, Phase III, Calder Road Extension to F.M. 517, Bay Colony Pointe West, Section 4, Bay Colony Pointe West, Section 5, and Bay Colony Pointe West, Section 6.

(iv) If local, state, or federal regulations require storm-water quality facilities, state the name of the entity requiring such facilities and describe the district storm-water quality treatment facilities, if any, to be funded by the proposed bond issue. (NOT APPLICABLE)

SECTION 7 — BASIS OF DESIGN

(C) Conformity with Regulatory Requirements:

The facilities proposed for funding in this application are designed in accordance with the applicable criteria established by regulatory authorities unless otherwise noted.

- (i) Texas Commission on Environmental Quality: Yes <u>Marketing</u> No ___ N/A ___
- (ii) City of League City: Yes Ves No N/A
- (iii) Commission Permit Required by Water Code 16.236: Yes No N/A

(B) Oversizing:

Is the District constructing any facility with capacity in excess of that reasonably anticipated for future in-district uses?

Yes ____ No.

At the request of the City of League City, the Bay Colony West Lift Station and 18-inch Force Main is oversized to allow for flows from an existing subdivision (178 lots), a school, a park and additional single-family residential (~266 lots), all of which are not within the District. The extra flow outside of the District to this lift station accounts for approximately 572 gpm of the total 2,415 gpm used in the design of this lift station. Approximately 1,843 gpm is attributed to flow within the District.

SECTION 8 — FINANCIAL INFORMATION

The District's Financial Advisor, FirstSouthwest, a Division of Hilltop Securities Inc. the District's Bookkeeper, Municipal Accounts and Consulting, L.P., Attorney, Paul A. Philbin & Assoc., P.C., and the District's Tax Assesor, Assessments of the Southwest, Inc., provides the following information.

(A) Growth / No Growth:

The economic feasibility of this bond issue is based upon no growth.

The highest projected taxable value shown in the cash flow schedule is \$ 153,882,661.

(B) <u>Latest Certified Assessed Valuation</u>: \$130,576,799 as of January 1, 2015 (Includes \$128,986,021 of Certified Value and \$1,590,778 of Uncertified Value). Include as a labeled

ATTACHMENT 34(a) a certificate indicating such valuation from the Chief Appraiser of the Galveston County Central Appraisal District.

<u>Latest Certified Estimate of Assessed Valuation</u>: \$153,882,661 as of March 1, 2016. SEE ATTACHMENT 35.

(C) <u>Historical Tax Data</u>:

The following information is as of February 24, 2016

YEAR	ASSESSED	DEBT SERVICE	MAINTENANCE	AMOUNT	
COLLECTED	VALUATION	TAX RATE	TAX RATE	COLLECTED	TOTAL
2015	\$130,576,799	\$0.885/\$100	\$0.115/\$100	\$1,304,500.57	97.41%
2014	\$106,456,403	\$0.88/\$100	\$0.12/\$100	\$1,063,230.70	99.48%

(E) Outstanding Indebtedness:

(i) Bond Issues:

Category	Outstanding Debt	Proposed Debt	Combined Debt	Debt Ratio based on Current Certified or Estimated Value
Water, Wastewater, and Drainage	13,420,000	\$4,300,000	\$17,720,000	11.52% (1)
Roads	0	0	0	0
Firefighting	0	0	0	0
Recreational	0	0	0	0
Totals	\$13,420,000	\$4,300,000	\$17,720,000	11.52% (1)

Notes:

1) Based upon the latest Certified Estimate of Assessed Valuation as of 3/1/16.

(ii) Bond-Anticipation Notes:

There are no outstanding BANs for this district.

- Were the provisions of Commission Rule 293.54 followed in the issuance of all Bond-**Anticipation Notes?** _ **Yes** ___ **No.** (NOT APPLICABLE) (iv) **Tax-Anticipation Notes:** (NOT APPLICABLE) (v) Other Obligations: (NOT APPLICABLE) (F) Financial Feasibility (to Be Completed by All Districts): (i) Build-Out Projections: Is the feasibility of this bond issue based on growth? ____Yes ____No. SEE ATTACHMENT 30 (ii) Debt-Service Schedule: SEE ATTACHMENT 31 (iii) Revenue Projections: (a) Does the District intend to use net revenues from operations for debt service payments? ___Yes _ No. (b) Does the District intend to use revenues received from a municipality through either a consent agreement or strategic partnership agreement for debt service payments? Yes No.
 - (iv) Operating Budget: Issuance of the bonds will not affect the District's operating budget. The District's system is operated by League City. SEE ATTACHMENT 58.
 - (v) Projected Cash-Flow Analysis for Proposed and Existing Debt of District: (NOT APPLICABLE)
 - (vi) No-Growth Cash-Flow Analysis for Proposed and Existing Debt of District: SEE ATTACHMENT 33(b)
- (vii) Cash-Flow Analysis for All Overlapping Taxing Entities Specifically Attributable to Water, Wastewater, Drainage, Firefighting, Recreation, or Roads: The District is located within the corporate limits of League City. SEE ATTACHMENT 59 for a letter from League City.

(viii) Combined Tax Rate: Complete the following table:

	Projected	No-Growth
	Tax Rate	Tax Rate
District tax rate		
a. Debt service as shown in cash-flow analysis	\$ 0.910	\$ 0.910
b. Maintenance Tax	\$ 0.115	\$ 0.115
Tax rate for overlapping entities as defined in Commission		
Rules 293.59(f)(2) and (f)(6) and (e)(2) and (e)(6)		
a. Debt service as shown in cash-flow analysis		
1. League City (a):	\$ 0.00	\$ 0.00
b. Maintenance Tax		
1. League City (a):	\$ 0.00	\$ 0.00
Equivalent surcharge for water and wastewater, if any:	\$ 0.00	\$ 0.00
Although the District is located within the boundaries of		
League City, none of League City's tax rate is attributable		
to water, wastewater, drainage, recreation or roads:	\$ 0.0622	\$ 0.0622
Less any equivalent tax rebate:	(<u>\$_0.00_</u>)	(<u>\$_0.00</u>)
TOTAL COMBINED TAX RATE	\$ 1.0872	\$ 1.0872

Notes:

- (a) SEE ATTACHMENT LIX for a copy of letter form League City
- (ix) Total Taxable Value of Area to be Taxed: \$153,882,661 as of March 1, 2016. SEE ATTACHMENT 35
- (x) Waiver of Special Appraisal: The *Agreement Waiving Tax Exemptions* is included as labeled ATTACHMENT 44.

	col	les the District meet the conditions of Commission Rule $293.59(k)(6)$ regarding impletion of facilities prior to Commission approval necessary to serve the projected velopment?
	1.	Compliance with 293.59(k)(6)(A): At the time of Commission approval, all underground water, wastewater, and drainage facilities to be financed with proceeds from the proposed bond issue or necessary to serve the projected build-out used to support the feasibility of the bond issue, shall be at least 95% complete as certified by the district's engineer. Yes No Exempt.
	2.	Compliance with 293.59(k)(6)(B): At the time of Commission approval, all permits for groundwater, surface water, waste discharge, or other permits needed to secure capacity to support the build-out shall have been obtained. Yes No Exempt. If no, provide justification to proceed with the bond sale. If exempt, explain the basis.
		Compliance with 293.59(k)(6)(C): At the time of Commission approval, sufficient lift station, water plant, and wastewater treatment plant capacity, as applicable depending on the type of district, to serve the connections projected for a period of not less than 18 months shall either be 95% complete as certified by the district's engineer or available in existing plants in accordance with executed contracts for capacity in plant(s) owned by other entities (but in no event less than 50,000 gallons per day water plant and wastewater plant capacity) Yes No Exempt. If no, provide justification to proceed with the bond sale. If exempt, explain the basis. Compliance with 293.59(k)(6)(D): At the time of Commission approval, water supply, lift
		station and wastewater treatment capacity needed to support the projected build-out used to support the feasibility of the subject bond application must be existing or funds for that capacity must be included in the bond issue or secured by a letter of credit or other acceptable guarantee approved by the executive director. Yes No Exempt. If no, provide justification to proceed with the bond sale. If exempt, explain the basis.
	5.	Compliance with 293.59(k)(6)(E): At the time of Commission approval, all street and road construction to provide access to the areas provided with utilities to be financed with proceeds from the proposed bond issue, or necessary to serve the projected build-out used to support the feasibility of the subject bond issue, must be 95% complete as certified by the district's engineer. All streets and roads shall be constructed in accordance with city or county standards, as appropriate. Yes No Exempt. If no, provide justification

 $\textbf{(ii)} \quad \textbf{Status of Growth Projected in Previous Bond Issue, if Applicable: } (NOT\ APPLICABLE)$

Previous Bond Issue based upon no growth.

to proceed with the bond sale. If exempt, explain the basis.

(H) Market Information:

A market study is not provided for the reason checked below. "No growth is projected in determining the feasibility of this bond issue".

SECTION 9 — SHARED FACILITIES

- (A) **Inventory:** (NOT APPLICABLE)
- **(B)** Calculated Pro Rata Shares: (NOT APPLICABLE)
- (C) Cost-Sharing Arrangements Requested for Commission Approval: (NOT APPLICABLE)

(D) Oversizing Required by a Local Government or Other Regulatory Agency:

At the request of the City of League City, the Bay Colony West Lift Station and 18-inch Force Main is oversized to allow for flows from an existing subdivision (178 lots), a school, a park and additional single-family residential (~266 lots), all of which are not within the District. The extra flow outside of the District to this lift station accounts for approximately 572 gpm of the total 2,415 gpm used in the design of this lift station. Approximately 1,843 gpm is attributed to flow within the District.

SECTION 10 — PLANS, SPECIFICATIONS, OTHER CONSTRUCTION DOCUMENTS

Pursuant to Water Code Section 26.034(G) and Health and Safety Code Chapter 341, Subchapter C, and the Commission Rules Chapters 290 and 317, plans and specifications for construction projects which are to be funded as District projects require certain approvals. Plans and specifications shall be submitted prior to construction to:

Water Plans
Utility Technical Review Team, MC 153
Water Supply Division
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, TX 78711-3087

Wastewater Plans (as necessary)
Wastewater Permits Section, MC 148
Water Quality Division
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, TX 78711-3087

As-built plans may be requested upon completion of a project.

(A) Plans:

(i) Construction Plans:

Bay Colony West Meadows, Sections 1&2–VOLUME 3
Enclave at Bay Colony, Section 1, Phase I–VOLUME 4
Enclave at Bay Colony Section 1, Phase II–VOLUME 5
Enclave at Bay Colony Section 1, Phase III – VOLUME 6
Calder Road Extension to F.M. 517– VOLUME 7
Bay Colony Pointe West, Section 4– VOLUME 8
Bay Colony Pointe West, Section 5– VOLUME 9
Bay Colony Pointe West, Section 6– VOLUME 10
Bay Colony Meadows West, Section 3, Phase I – VOLUME 11
Bay Colony Pointe West, Section 3, Phase I – VOLUME 11

(ii) Plat:

Bay Colony West Meadows, Sections 1&2–VOLUME 3
Enclave at Bay Colony, Section 1, Phase I– VOLUME 4
Enclave at Bay Colony Section 1, Phase II–VOLUME 5
Enclave at Bay Colony Section 1, Phase III – VOLUME 6
Calder Road Extension to F.M. 517– VOLUME 7
Bay Colony Pointe West, Section 4– VOLUME 8
Bay Colony Pointe West, Section 5– VOLUME 9
Bay Colony Pointe West, Section 6– VOLUME 10
Bay Colony Meadows West, Section 3, Phase I – VOLUME 11
Bay Colony Pointe West, Section 3, Phase I – VOLUME 11

(B) Contract Documents:

Bay Colony West Meadows, Sections 1&2 Underground Utilities – VOLUME 3
Enclave at Bay Colony, Section 1, Phase I Underground Utilities – VOLUME 4
Enclave at Bay Colony Section 1, Phase II Underground Utilities – VOLUME 5
Enclave at Bay Colony Section 1, Phase III Underground Utilities – VOLUME 6
Calder Road Extension to F.M. 517 Underground Utilities – VOLUME 7
Bay Colony Pointe West, Section 4 Underground Utilities – VOLUME 8
Bay Colony Pointe West, Section 5 Underground Utilities – VOLUME 9
Bay Colony Pointe West, Section 6 Underground Utilities – VOLUME 10
Bay Colony Meadows West, Section 3, Phase I Underground Utilities – VOLUME 11
Bay Colony Pointe West, Section 3, Phase I Underground Utilities – VOLUME 11

(C) Construction Documents:

Bay Colony West Meadows, Sections 1&2 Underground Utilities – VOLUME 3
Enclave at Bay Colony, Section 1, Phase I Underground Utilities – VOLUME 4
Enclave at Bay Colony Section 1, Phase II Underground Utilities – VOLUME 5
Enclave at Bay Colony Section 1, Phase III Underground Utilities – VOLUME 6
Calder Road Extension to F.M. 517 Underground Utilities – VOLUME 7
Bay Colony Pointe West, Section 4 Underground Utilities – VOLUME 8
Bay Colony Pointe West, Section 5 Underground Utilities – VOLUME 9
Bay Colony Pointe West, Section 6 Underground Utilities – VOLUME 10
Bay Colony Meadows West, Section 3, Phase I Underground Utilities – VOLUME 11
Bay Colony Pointe West, Section 3, Phase I Underground Utilities – VOLUME 11

(D) Checklist:

Bay Colony West Meadows, Sections 1&2 Underground Utilities – VOLUME 3
Enclave at Bay Colony, Section 1, Phase I Underground Utilities – VOLUME 4
Enclave at Bay Colony Section 1, Phase II Underground Utilities – VOLUME 5
Enclave at Bay Colony Section 1, Phase III Underground Utilities – VOLUME 6
Calder Road Extension to F.M. 517 Underground Utilities–VOLUME 7
Bay Colony Pointe West, Section 4 Underground Utilities – VOLUME 8
Bay Colony Pointe West, Section 5 Underground Utilities – VOLUME 9
Bay Colony Pointe West, Section 6 Underground Utilities – VOLUME 10
Bay Colony Pointe West, Section 3, Phase I Underground Utilities – VOLUME 11
Bay Colony Pointe West, Section 3, Phase I Underground Utilities – VOLUME 11

SECTION 11 — SPECIAL CONSIDERATIONS

(A) Developer Projects:

Are any of the projects in the proposed bond issue developer projects as defined in Commission Rule 293.44(a)(1)? \checkmark Yes ___ No.

- (i) Clearing and Grubbing: All Utility Contracts in this current Bond Application have clearing and grubbing as separate bid item.
- (ii) Spreading and Compacting of Fill: (NOT APPLICABLE)
- (iii) Change in Development Plan: Do any of the projects in the proposed bond issue include the replacement or relocation of existing or designed facilities? ____ Yes <u>\(\nu \) No.</u>
- (iv) Railroad, Pipeline, or Underground-Utility Relocations: (NOT APPLICABLE)
- (v) Joint-Use Engineering Studies: (NOT APPLICABLE)
- (vi) Bridges and Culverts: (NOT APPLICABLE)

(vii)	Pr	roration	ı of Du	al I	_ake-Deter	ntion P	ond: Does	the pr	oject	includ	le fund	s for the purcl	hase
	or	constr	uction	of	detention	pond	facilities	which	will	hold	water	continuously	for
	aes	sthetic (or recr	eati	onal purpo	ses? _	Yes <u>//</u>	No.					

(viii)	Floodplain	Mitigation:	Does	the	project	include	funds	for	costs	associated	with	the
	mitigation o	f floodplain a	areas?		Yes $ ightharpoonup $	No.						

(B) All Projects:

- (i) Appraisals: (NOT APPLICABLE)
- (ii) Contract Revenue bonds: Are the proposed bonds contract revenue bonds? Yes ✓ No.
- (iii) Impact Fees and Capital-Recovery Fees: Does the proposed bond issue include funding for fees calculated and collected under the provisions of Local Government Code 395?

 Yes ___ No.

A copy of the engineering report used to calculate the fee as well as a copy of a contract between the District and the City of League City can be found under labeled ATTACHMENTS 45 and 26, respectively. SEE ATTACHMENT 67 for *Backup Information Related to Capital Recovery Fees*.

SECTION 12 — MISCELLANEOUS CONSIDERATIONS

(A) Preconstruction Documents:

SEE ATTACHMENT 46 for a preconstruction agreement between the developer and the District, which covers all construction considered in the following projects:

Bay Colony West Meadows, Sections 1&2 Underground Utilities -VOLUME 3

Enclave at Bay Colony, Section 1, Phase I Underground Utilities – VOLUME 4

Enclave at Bay Colony Section 1, Phase II Underground Utilities – VOLUME 5

Enclave at Bay Colony Section 1, Phase III Underground Utilities – VOLUME 6

Calder Road Extension to F.M. 517 Underground Utilities-VOLUME 7

Bay Colony Pointe West, Section 4 Underground Utilities – VOLUME 8

Bay Colony Pointe West, Section 5 Underground Utilities – VOLUME 9

Bay Colony Pointe West, Section 6 Underground Utilities – VOLUME 10

Bay Colony Meadows West, Section 3, Phase I Underground Utilities – VOLUME 11

Bay Colony Pointe West, Section 3, Phase I Underground Utilities – VOLUME 11

(B) Bid Advertisement:

Were the competitive bidding statutes complied with in each of the construction contracts executed? ____ Yes ____ No.

- (i) The District is requesting an *exemption* from the requirement to obtain a 30% contribution from the developer on certain construction contracts for the following reason: (NOT APPLICABLE)
- (ii) The District is requesting a *conditional exemption* from the requirement to obtain a 30% contribution from the developer on certain construction contracts on the anticipation of one of the following conditions being met:
 - The District anticipates obtaining an acceptable credit rating (as such rating is defined in Commission Rule 293.47 (b)(4)) prior to the sale of the proposed bond issue. SEE ATTACHMENT 50 for letter from Financial Advisor.

(D) <u>Letters of Credit, Deferment of Bond Proceeds, Other Acceptable Financial Guarantees:</u>

(NOT APPLICABLE) All facilities are complete.

(E) Developer Interest Reimbursement:

Developer Interest will be reimbursed with this issue (See Section 4, Cost Summary, Footnote 20) The District is only requesting two years of interest on any construction contract.

(F) Land and Easement Acquisition:

- (i) Storm-Water Detention Facilities: Does the District intend to purchase easements or sites for storm-water detention facilities? ___Yes ___ No.
- (ii) Easements Outside the District's Boundaries: Does the District intend to purchase easements outside the District's boundaries? ____ Yes ____ No.
- (iii) Downstream Drainage Channels: Does the District intend to purchase easements to improve drainage channels downstream of the District that pass through other Districts?

 ____Yes ✓ No.
- (iv) Recreational-Facility Sites: Does the District intend to purchase sites for recreational facilities? Yes ✓ No.

(G) District Participation in Regional Drainage Systems:

Does the proposed bond issue include funds to be paid to a regional drainage authority for capacity in a regional storm-water detention system? ____ Yes ____ No.

- (i) Adoption of System by Public Entity: (NOT APPLICABLE)
- (ii) Participation Required by Public Entity: (NOT APPLICABLE)

- (iii) Cost of Participation Uniform: (NOT APPLICABLE)
- (iv) Contract with Public Entity: (NOT APPLICABLE)

SECTION 13 — MISCELLANEOUS INFORMATION

(A) Contracts with Professional Consultants:

SEE ATTACHMENT 55.

(B) Compliance with Commission Rule 293.111(a)(6):

SEE ATTACHMENT 57.

(C) Key Personnel:

(i) Board of Directors James Maglothin, President

Neil Hurley, Vice President Dana Dutton, Secretary

George Parker, Deputy Secretary

John Wright, Director

C/O Paul A. Philbin & Assoc, P.C.

Houston, TX 77057 (713) 783-4120

(ii) Attorney Paul A. Philbin

Paul A. Philbin & Assoc, P.C. 6363 Woodway, Suite 725

Houston, TX 77057 (713) 783-4120

(iii) Fiscal Agent Greg Lentz

FirstSouthwest, Division of Hilltop Securities Inc.

700 Milam Street, Suite 500

Houston, TX 77002 (713) 654-8679

(iv) Tax Assessor-Collector Rhonda Rushton

Assessments of the Southwest, Inc.

P.O. Box 1368

Friendswood, Texas 77546-1368

(281) 482-0216

Principal Developer	Mr. Brad Garner, PE Friendswood Development Company Bay Colony Expansion 369, Ltd 550 Greens Parkway Suite 100 Houston, TX 77067 (281) 874-8482
Principal Developer	Mr. Jessie Zambrano Solida (USA) Bay Colony Expansion 200, Ltd 100 E. Savannah Ave, Suite 540 McAllen, TX 78503 (956) 664-8480
(vi) Engineer	Alan D. Hirshman, PE Dannenbaum Engineering Corporation 3100 West Alabama Houston, Texas 77098 (713) 520-9570
(vii) Bookkeeper	Cindy Grimes Municipal Accounts & Consulting, L.P. 1300 Post Oak Blvd, Suite 1600 Houston, TX 77056 (713) 366-3055
(viii) Auditor	Sherri Greenwood BKD 2800 Post Oak Blvd., Suite 3200 Houston, TX 77056 (713) 499-4600
(D) Reporting Requirements:	
Has the District submitted a cu	urrent Directors' Registration Form? <u>~</u> Yes No.
Has the District submitted a Code Section 49.455? ✓ Yes _	current District Information Form as required by Water No.
Has the District submitted a cu Yes No.	arrent Audit Report or Financial Dormancy Affidavit?

(E) Name Signs:

Has the District posted at least two name signs, at two or more principal entrances to the District? $\underline{\hspace{0.2cm}}$ Yes $\underline{\hspace{0.2cm}}$ No.

The signs are located as follows:

- 1. Along Calder Road just North of F.M. 517.
- 2. Along Colony Ridge Lane inside of the Eastern property boundary.
- 3. Near the intersection of Calder Road & Cross Colony Drive.

(F) Other Information:

No other information needed.
