League City, Texas 77573

RE: *City of League City - FM 270 at Austin Street Signal Project*
Bid Tabulation for Bid No. 16-049

Dear Mr. Smith:

On September 1, 2016, the City of League City received one bid for the FM 270 at Austin Traffic Signal Project. The City provided bids to Kimley-Horn and Associates for bid tabulation. The actual bid tabulations are included as a separate attachment, but the summary is as follows:

<u>Contractor</u>	<u>Base Bid</u>
Traffic Systems Construction, Inc.	\$239,239.00

Kimley-Horn and Associates has reviewed the bid tabulation for the above referenced project and based on that review we have determined that Traffic Systems Construction, Inc. has submitted the lowest bid. The bid price from Traffic Systems Construction, Inc. totaled \$239,239.00. The engineer's estimate for this project was \$239,021.63.

We understand that Traffic Systems Construction, Inc. has satisfactorily completed projects for other public agencies in the Houston area and has had no major issues, therefore since they are the lowest bidder we recommend that the City award the contract to Traffic Systems Construction, Inc.

If you have any further questions or need additional information regarding these bids or the bid tabulations, please don't hesitate to contact me at 281-920-6306 or manu.isaac@kimley-horn.com, information. Thank you for the opportunity to be of service to the City of League City.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.

P. Manu Isaac, P.E.
Associate/ Project Manager
