Re: City of League City
Hometown Heroes Entrance Monument Sign – Bid No. 16-028
Architect's Recommendation of Contractor

Dear John,

On Tuesday, August 9th, 2016, sealed bids were opened for the above referenced project. There were a total of two (2) bidders. The attached bid tabulation summarizes the results.

Based on the bids received, PGAL evaluated the bidders based on pre-determined criteria. 4-D Signworx was ranked highest after the evaluation.

4-D Signworx submitted the low bid on the project with a base bid of \$77,850.00. Based on their low base bid, their experience and good performance working with us and the City on a similar previous project, and their qualifications, it is our recommendation that the base bid be accepted and awarded to 4-D Signworx. It should be noted that neither bidder bid the fiber optic or electrical connection or infrastructure going to the sign, though they were shown in the documents, and that those items will need to be procured separately by the City.

Please feel free to give me a call to discuss this recommendation. We appreciate the opportunity to provide continued service to the City of League City.

Sincerely,

Paul D. Bonnette, AIA
Principal
