Pat Hallisey

Mayor, City of League

300 W. Walker

League City, TX 77573

Dear Mayor Pat:

The Texas Department of Transportation (TxDOT) is beginning the construction of the subject project. In order to legally post reduced speed signs, we need a signed construction zone ordinance from City of League. The proposed construction speed zones are as follows:

- 1) IH 45 Mainlanes: MP 15.95 to MP 13.93 with distance of 2.02 Miles at 55 MPH
- 2)) IH 45 Frontage Roads: MP 15.95 to MP 13.93 with distance of 2.02 Miles at 45 MPH

In this package, we prepared a construction speed zone ordinance for your review. The project title sheet is attached for your information. If this ordinance meets the City's guideline, we request you to mail back the original ordinance document to us with an original signature. A duplicate document is included for your records. If the City of League has its own ordinance format, we request you to furnish us a signed original of that construction speed zone ordinance. We have included a return envelope with postage paid. We appreciate your assistance in this matter. If you should have any questions concerning this matter, please contact my office at (713) 802-5381 <Alan.Wang@txdot.gov> or Indra Gunaratne, P.E. Design Engineer at (713) 802-5330 <Indra.gunaratne@txdot.gov>.

Sincerely,

Alan Wang, P.E.

Supervising Design Engineer
Houston District
