Subject: FW: Links to new GLO storm Surge Protection videos

Good afternoon Pat,

Thank you for allowing Dr. Brody and I to address you and Council on the Coastal Barrier. As I mentioned, we are starting to do a second film on the Coastal Barrier, primarily aimed for the national audience. We are trying to raise the funding for the film from the municipalities. The medium size cities have donated in the \$10,000 to \$15,000 range. Morgan's Point donated \$12,500, Kemah and Deer Park \$15,000. As Dr. Brody mentioned in his presentation and the GLO in the videos below, League City is very vulnerable to storm surge. I greatly appreciate your support and consideration on this important issue. We are funding through BAPCA, a 501-C3 that did the first film for Texas A&M Gal.
