Civil Concepts Project #: 59-15

Dear Mr. Sims,

On behalf of Westwood Development LTD, I am requesting formal acceptance of the Westwood Management District infrastructure servicing the Westwood Subdivision Section 7 by the City of League City at the November 14th, 2017 City Council meeting. We also request commencement of the one-year (warranty) acceptance period of the facilities, and at the end of such time, acceptance of same into the City's maintenance system. Please find attached the Engineer's Certificates of Completion.

To the best of my knowledge and belief, and based on field observations under my supervision, this project was constructed within acceptable tolerances and conforming substantially to the approved plans and specifications. We will provide the City with Record Drawings of this project within 90 days of this letter.

If you have any questions or require additional information, please feel free to contact me at oc.abajue@civilconcepts.com or (713) 947-6606.

Sincerely,
