

Hurricane Harvey Community Development Block Grant Disaster Funds Method of Distribution

Overview of Preliminary Allocation Process

May 30, 2018

Houston-Galveston Area Council's (H-GAC) Method of Distribution for Hurricane Harvey Community Development Block Grant Disaster Recovery Funds

As presented in the State of Texas Plan for Disaster Recovery: Hurricane Harvey - Round 1 dated April 6, 2018 and prepared by the Texas General Land Office Community Development & Revitalization Program, H-GAC is responsible for developing a Method of Distribution to allocate HUD CDBG-DR funds for housing buyouts/acquisitions and infrastructure for cities and counties within the H-GAC service area outside of the City of Houston and Harris County. Important aspects of the allocation process include a total of \$111 million for housing buyouts/acquisitions and \$130 million for infrastructure. The primary funding categories are further divided into two subsets:

1. funding for the area defined by HUD as most impacted; and,
2. the remainder of the impacted area

View the State Action Plan.

H-GAC will develop the Method of Distribution in a transparent process that will include a robust planning and public comment process, and adoption by the H-GAC Board of Directors. Our Hurricane Harvey Community Development Block Grant Disaster Funds page will have information regarding meetings and input opportunities.

H-GAC presented preliminary allocation numbers to the Board of Directors on May 15, 2018*. View documentation on the process for developing the preliminary allocation. Allocation numbers presented to the H-GAC Board of Directors on May 15, 2018 are available as a PDF and an Excel spreadsheet.

**Please note that the damage weighting used for the allocation of Infrastructure funding distributed as a handout to the H-GAC Board on May 15, 2018, were inconsistent with those used in the MOD presentation at the same meeting. The weights used for the allocation of Buyouts were consistent with the presentation.*

A revised draft allocation handout, consistent with the MOD presented to the Board, was produced on May 25, 2018, and is available as a PDF and an Excel spreadsheet.

Questions can be directed to Jeff Taebel, Director of Community and Environmental Planning at 713-627-3200 or jeff.taebel@h-gac.com.

**Table 1. Summary of Hurricane Harvey- Community Development Block Grant
Disaster Recovery Funds Local Buyouts / Acquisitions**

(*Jurisdictions with allocations of less than \$1M are included in the County allocations. **General Land Office requires 70% of funds benefit low-moderate income households.)
