## **7. COMMENTS/REPORTS FROM MEMBERS OF COUNCIL**

Announcements concerning items of community interest. No action will be taken or discussed.

Mayor Pro Tem Todd Kinsey – It is good to be back. Last week Mr. Dugie joined me for a good meeting of the Library Board and we talked about what we have in the budget for future planning of the Library beyond 2019, whether to build a new one or expand this one. It was a really good meeting. Briefly over at the library, Learn about electricity and engineering with Snap Circuits on Wednesday, September 26 from 5:00 to 6:00 p.m. in the Theater. This program is part of our STEAM for Tweens series and is for participants from the ages of 8 to 13 years. Create beautiful Mandala designs as a local crafter shares her skills with us. This program is on Monday, October 1 from 6:30 to 8:30 in the Theater and is limited to 20 participants. Sign up at the library or call to register. This program is for adults. Don't miss our annual Star Wars Reads Day! The excitement happens on Saturday, October 7 from 1:30 to 2:30 p.m. in the Library Theater. Come in costume, play games, make crafts and meet Stormtroopers! This event is especially for elementary-aged children, teens and adults. Afterwards, watch Star Wars: The Force Awakens from 3 to 6 p.m. This movie is rated PG-13.

Keith Gross had no comments.

Nick Long – Thanks to everyone for coming out tonight. I want to thank the Mayor for allowing my son to open the meeting. It is his 6th birthday tonight and when he heard I had a council meeting he asked me if I would ask the Mayor if he could hit the hammer to start the meeting. So, he was pretty excited about that. A couple of events coming up, the Chamber is hosting forums for all the people running in the upcoming election. There are various ones, but the most important one that I am participating in is on October 3. There will be another one at noon on October 5 at LaBrisas. Check the Chamber website for all the locations and times. I-45 Now, which is a Facebook newspaper, will have all of them on video so you can look them up from the convenience of your home as well.

Dan Becker was out of the room.

Hank Dugie – Thank you everyone for being here tonight and for tuning in at home. For those boy scouts in the audience, yes, we are on tv and you would be surprised how many people watch. I hear that it is at least dozens. I would like to direct a very important thank you to Ms. Fuller, Mr. Bowman, Ms. Zahler, and Mr. Johnson as well as the countless other citizens who have been keeping the pressure on council and other elected officials to follow through on drainage projects. Over the last year we have discovered that after other natural disasters in the past there has been momentum immediately after and has dissipated with time. There are a lot of people who are disenchanted with the process of getting things done and it takes people like you and many others to hold feet to the fire so we can be successful. In the last couple of weeks there have been some major studies and opportunities that have presented themselves and I think we will be excited to hear more about them as we go into the future. So continue to apply the pressure, continue to work with your neighbors.

We have found that League City is going to have to lead the charge and I think this council is the right group to do it. So keep working with us and we will hopefully find a solution that is suitable for everyone and that will have real and substantial impact so that in the future we won't have to experience another Harvey.

Larry Millican had no comments.

Mayor Hallisey – As you go out into the lobby you will see a sheet of paper from the Fire Marshal's office about what is going on in League City to try to set a Guinness Book World Record. It is called Stop, Drop & Roll and it will be held Friday, October 12 at 8:45 pm at the CCISD Challenger Columbia Stadium 1995 West Nasa Blvd. Courtney Zavala, co-host of KPRC's Houston Life, will emcee the event. They are expecting thousands to turn out.

Tommy Cones, League City Fire Marshal said we started this about three years ago and last year we were hit with Harvey and had to cancel the attempt. This year we are attempting the Guinness World Record again at the Columbia Challenger Stadium on the west side of League City on October 12. That is Fire Prevention Week and we are trying to make this a fun event for children and adults alike. Right after the game we are attempting to get everybody on the football field, and once on the field we are going to stomp down to the ground, we are going to roll to the right, roll to the left and do that for about 30 seconds, get back up and hopefully beat the world record. The current record is 1,719 individuals. We are hoping to have about 3,000 people attempting the record. We are asking everyone to come out to participate and you will receive a free tee shirt provided by some of our sponsors. We need about 150 volunteers to help with the count so if you do not want to get on the ground we have a place for you to participate.

Mayor Hallisey continued, if you saw the front page of the Galveston Daily News today Chico our police dog is retiring after so many years. I don't know what a police dog does after it retires but we wish him well and thank him for his service. And Boy Scouts, if you all can come up and tell us your name, the troop you are part of, how long you have been a scout, and how you are doing on your merit badges. William, age 14, has been in scouts for 3 years and almost a star scout. Ray, age 12, just joined boy scouts from cub scouts and about to get Tenderfoot rank. Jonathan, age 13, has been in boy scouts since the end of fifth grade and have completed 5 merit badges.
