1. Plaintiff, Galveston County Municipal Utility District No. 6 (“MUD 6”) and Defendant, the City of League City, Texas (the “City”) file this Agreement under authority of Rule 11 of the Texas Rules of Civil Procedure.

I.
Agreement

2. MUD 6 has filed a Petition to Compel Arbitration and Appoint Neutral Arbitrator, which the City opposes. In order to resolve, in part, the parties’ current disagreements and avoid the necessity of the hearing on MUD 6’s petition which is scheduled for January 29, 2019, the parties have agreed as follows:

- a) MUD 6 will pass the January 29, 2019 hearing.
- b) The City will include items on its City Council Agenda for February 12, 2019, providing for discussion and action on MUD 6’s applications for approval of Bond Issues #13 and #14.

- c) The City Council will take one or more votes, at such meeting, on whether to approve each of the applications.
- d) If, after the votes are taken, MUD 6 asserts any claims that are within the scope of the arbitration provision in section 8.02 of the June 14, 1979 Utility Agreement, the parties will forthwith request a list of seven (7) arbitrators from the International Centre for Dispute Resolution and shall select one of the arbitrators from that list to arbitrate those claims that are within the scope of the referenced arbitration provision.
- e) An agreed arbitrator shall be selected from the list by a process in which each party will alternate in striking names from the list, one at a time, until only one name remains. The order in which the parties shall proceed in striking names from the list shall be determined by a coin toss.
