RE: Request to be placed on July 25, 2019 Transportation Commission Agenda

Dear Chairman Bugg:

This letter is provided to formally request to be on the July 25, 2019 Texas Transportation Commission agenda. The agenda item would be to request that the Texas Transportation Commission consider the continued placement of the State Highway 99 (The Grand Parkway) Segments B in the Unified Transportation Plan (UTP). We would also like to briefly discuss the possible expedition of constructing Segment B of State Highway 99 (The Grand Parkway) from just south of Alvin in Brazoria County to Interstate 45 in Galveston County that will address safety and congestion in our growing region.

State Representative Ed Thompson, House District 29, along with myself and other elected leaders would like to give a brief background of this project, bring the Commission up to date on activity with the TxDOT Houston District, provide supporting documentation from regional government entities, and present many resolutions requesting such action. I look forward to hearing back from you on this important issue that will address safety and congestion in our growing region.

Sincerely,

Paul A. Horn
Mayor, City of Alvin
