Re: Galveston County Municipal Utility District No. 46
Bond Issue No. 12 - \$4,300,000
LJA Job No. 1285-0013 (13.0)

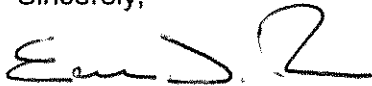

Dear Mr. Baumgartner:

We hereby certify that all utility improvements for which Galveston County Municipal Utility District 46 (the "District") was created and intended to provide, and for which bonds have been previously sold and additional bonds are now being considered, have been installed. Since the District is an in-city MUD, the utilities have been conveyed to the City to own and maintain. All utilities were inspected before being conveyed to the City and were functioning as designed and intended. To the best of my knowledge, the utilities are currently functioning as designed and intended.

ond issue.
