1 Grant Agreement Requirements and Conditions

1.1 Applicability of Grant Agreement and Provisions

The Grant Agreement is subject to the additional terms, conditions, and requirements of other laws, rules, regulations and plans recited herein and is intended to be the full and complete expression of and constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior and contemporaneous understandings, agreements, promises, representations, terms and conditions, both oral and written, are superseded and replaced by this Grant Agreement.

Notwithstanding any expiration or termination of this Grant Agreement, the rights and obligations pertaining to the grant close-out, cooperation and provision of additional information, return of grant funds, audit rights, records retention, public information, and any other provision implying survivability shall remain in effect after the expiration or termination of this Grant Agreement.

1.2 Legal Authority to Apply

The grantee certifies that it possesses legal authority to apply for the grant. A resolution, motion or similar action has been or will be duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative, or their designee of the organization to act in connection with the application and to provide such additional information as may be required.

1.3 Grant Acceptance

The Notice of Subrecipient Grant Award remains an offer until the fully executed copy of this Grant Agreement is received by Harris County.

1.4 Project Period

Funding has been authorized for eligible expenditures incurred between March 1, 2020 and December 30, 2020. All expenditures must be incurred, and all services must be received within the performance period. Harris County will not be obligated to reimburse expenses incurred after the performance period. A cost is incurred when the responsible unit of government has expended funds to cover the cost.

1.5 General Responsibility

Per the CARES Act, CRF grant funds may only be used to cover expenses that –

1. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19)
2. were not accounted for in the budget most recently approved as of March 27, 2020 for the government; and
3. were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

The US Department of Treasury (Treasury) provided additional guidance on the permissible use of grant funds, including nonexclusive examples of eligible expenses in the following categories:

1. Medical expenses,
2. Public health expenses,
3. Payroll expenses for public safety, public health, health care, human services, and similar employees whose services are substantially dedicated to mitigating or responding to the COVID-19 public health emergency,
4. Expenses of actions to facilitate compliance with COVID-19-related public health measures,
5. Expenses associated with the provision of economic support in connection with the COVID-19 public health emergency, and
6. Any other COVID-19-related expenses reasonably necessary to the function of government that satisfy the Fund's eligibility criteria.

Further explanation of these categories and examples can be found at the following link:

<https://home.treasury.gov/system/files/136/Coronavirus-Relief-Fund-Frequently-Asked-Questions.pdf>

The grantee certifies compliance with these eligible expenses by executing the CARES Act Coronavirus Relief Fund Eligibility Certification Form, which is attached hereto as Exhibit B and incorporated for all purposes.

The grantee is responsible for the integrity of the fiscal and programmatic management of the grant project; accountability for all funds awarded; and compliance with Harris County administrative rules, policies and procedures, and applicable federal and state laws and regulations.

The grantee will maintain an appropriate grant administration system to ensure that all terms, conditions and specifications of the grant are met.

1.6 Amendments and Changes to the Grant Agreement

Harris County and the grantee may agree to make adjustments to the grant. Adjustments include, but are not limited to, modifying the scope of the grant project, adding funds to previously un-awarded cost items or categories changing funds in any awarded cost items or category, deobligating awarded funds or changing grant officials.

The grantee has no right or entitlement to reimbursement with grant funds. Harris County and grantee agree that any act, action or representation by either Party, their agents or employees that purports to waive or alter the terms of the Grant Agreement or increase the maximum liability of Harris County is void unless a written amendment to this Grant Agreement is first executed and documented. The grantee agrees that nothing in this Grant Agreement will be interpreted to create an obligation or liability of Harris County in excess of the "Allocation Ceiling" as set forth in the Notice of Subrecipient Grant Award.

Any alterations, additions, or deletions to the terms of this Grant Agreement must be documented to be binding upon the Parties. Notwithstanding this requirement, it is understood and agreed by Parties hereto, that changes in local, state and federal rules, regulations or laws applicable hereto, may occur during the term of this Grant Agreement and that any such changes shall be automatically incorporated into this Grant Agreement without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

1.7 Jurisdictional Cooperation

Notwithstanding anything to the contrary, Harris County may, in its sole discretion, deny reimbursement for any expenses representing a transfer of funds from grantee to another political subdivision or agency unless a written request for such reimbursement is approved by Harris County in advance.

1.8 Public Information and Meetings

Notwithstanding any provisions of this Grant Agreement to the contrary, the grantee acknowledges that Harris County and this Grant Agreement are subject to the Texas Public Information Act, Texas Government Code Chapter 552 (the "PIA"). The grantee acknowledges that Harris County will comply with the PIA, as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas.

The grantee acknowledges that information created or exchanged in connection with this Grant Agreement, including all reimbursement documentation submitted to Harris County, is subject to the PIA, whether created or produced by the grantee or any third party, and the grantee agrees that information not otherwise excepted from

disclosure under the PIA, will be available in a format that is accessible by the public at no additional charge to Harris County. The grantee will cooperate with Harris County in the production of documents or information responsive to a request for information.

1.10 False Statements by Grantee

By acceptance of this grant agreement, the grantee makes all the statements, representations, warranties, guarantees, certifications and affirmations included in this grant agreement. If applicable, the grantee will comply with the requirements of 31 USC § 3729, which set forth that no grantee of federal payments shall submit a false claim for payment.

If any of the statements, representations, certifications, affirmations, warranties, or guarantees are false or if the grantee signs or executes the grant agreement with a false statement or it is subsequently determined that the grantee has violated any of the statements, representations, warranties, guarantees, certifications or affirmations included in this grant agreement, then Harris County may consider this act a possible default under this grant agreement and may terminate or void this grant agreement for cause and pursue other remedies available to Harris County under this grant agreement and applicable law. False statements or claims made in connection with Harris County grants may result in fines, imprisonment, and debarment from participating in federal grants or contract, and/or other remedy available by law, potentially including the provisions of 38 USC §§ 3801-3812, which details the administrative remedies for false claims and statements made.

1.11 Conflict of Interest Safeguards

The grantee understands that Harris County does not tolerate any type of fraud, waste, or misuse of funds received from Harris County. Harris County's policy is to promote consistent, legal, and ethical organizational behavior, by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, Harris County policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. The grantee understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal and state grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

In the event grantee becomes aware of any allegation or a finding of fraud, waste, or misuse of funds received from Harris County that is made against the grantee, the grantee is required to immediately notify Harris County of said allegation or finding and to continue to inform Harris County of the status of any such on-going investigations. The grantee must also promptly refer to Harris County any credible evidence that a principal, employee, agent, grantee, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Harris County and grantee may mutually agree to terminate this Grant Agreement. Harris County in its sole discretion will determine if, as part of the agreed termination, grantee is required to return any or all of the disbursed grant funds.

Following termination by Harris County, grantee shall continue to be obligated to Harris County for the return of grant funds in accordance with applicable provisions of this Grant Agreement. In the event of termination under this Section, Harris County's obligation to reimburse grantee is limited to allowable costs incurred and paid by the grantee prior to the effective date of termination, and any allowable costs determined by Harris County in its sole discretion to be reasonable and necessary to cost-effectively wind up the grant. Termination of this Grant Agreement for any reason or expiration of this Grant Agreement shall not release the Parties from any liability or obligation set forth in this Grant Agreement that is expressly stated to survive any such termination or expiration.

1.14 Limitation of Liability

Nothing in the Agreement is construed as creating any personal liability on the part of any officer, director, employee, or agent of any public body that may be a Party to the Agreement, and the Parties expressly agree that the execution of the Agreement does not create any personal liability on the part of any officer, director, employee, or agent of either Party.

1.15 Dispute Resolution

The Parties' representatives will meet as needed to implement the terms of this Grant Agreement and will make a good faith attempt to informally resolve any disputes.

The audit must be completed and the data collection and reporting package described in 2 CFR 200.512 must be submitted to the Federal Audit Clearinghouse (FAC) within 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period, whichever is earlier.

3.3 Requirement to Address Audit Findings

If any audit, monitoring, investigations, review of awards, or other compliance review reveals any discrepancies, inadequacies, or deficiencies which are necessary to correct in order to maintain compliance with this Grant Agreement, applicable laws, regulations, or the grantee's obligations hereunder, the grantee agrees to propose and submit to Harris County a corrective action plan to correct such discrepancies or inadequacies within thirty (30) calendar days after the grantee's receipt of the findings. The grantee's corrective action plan is subject to the approval of Harris County.

The grantee understands and agrees that the grantee must make every effort to address and resolve all outstanding issues, findings, or actions identified by DOTIG, Harris County, or SAO through the corrective action plan or any other corrective plan. Failure to promptly and adequately address these findings may result in grant funds being withheld, other related requirements being imposed, or other sanctions and penalties. The grantee agrees to complete any corrective action approved by Harris County within the time period specified by Harris County and to the satisfaction of Harris County, at the sole cost of the grantee. The grantee shall provide to Harris County periodic status reports regarding the grantee's resolution of any audit, corrective action plan, or other compliance activity for which the grantee is responsible.

3.4 Records Retention

- A. The grantee shall maintain appropriate audit trails to provide accountability for all expenditures of grant funds, reporting measures, and funds received from Harris County under this Grant Agreement. Audit trails maintained by the grantee will, at a minimum, identify the supporting documentation prepared by the grantee to permit an audit of its accounting systems and payment verification with respect to the expenditure of any funds awarded under this Grant Agreement.
- B. The grantee must maintain fiscal records and supporting documentation for all expenditures resulting from this Grant Agreement pursuant to 2 CFR 200.333 and state law.

1. The grantee must retain these records and any supporting documentation for a minimum of seven (7) years from the later of the completion of this project's public objective, submission of the final expenditure report, any litigation, dispute, or audit.
2. Records related to real property and equipment acquired with grant funds shall be retained for seven (7) years after final disposition.
3. Harris County may direct a grantee to retain documents for longer periods of time or to transfer certain records to Harris County or federal custody when it is determined that the records possess long term retention value.

4 Prohibited and Regulated Activities and Expenditures

4.1 Prohibited Costs

- A. Funds may not be used to fill shortfalls in government revenue to cover expenditures that would not otherwise qualify under the statute. Revenue replacement is not a permissible use of these grant funds. In accordance with Section 3.1 all record and expenditures are subject to review.
- B. Damages covered by insurance.
- C. Payroll or benefits expenses for employees whose work duties are not substantially dedicated to mitigating or responding to the COVID-19 public health emergency.

4.2 Political Activities

Grant funds may not be used in connection with the following acts by agencies or individuals employed by grant funds:

Generally, organizations or entities which receive federal funds by way of grants, contracts, or cooperative agreements do not lose their rights as organizations to use their own, private, non-federal resources for "political" activities because of or as a consequence of receiving such federal funds. These recipient organizations must thus use private or other non-federal money, receipts, contributions, or dues for their political activities, and may not charge off to or be reimbursed from federal contracts or grants for the costs of such activities.
- B. Grant officials or grant funded employees may not use official authority or influence or permit the use of a program administered by the grantee agency of which the person is an officer or employee to interfere with or affect the result of an election or nomination of a candidate or to achieve any other political purpose.
- C. Grant-funded employees may not coerce, attempt to coerce, command, restrict, attempt to restrict, or prevent the payment, loan, or contribution of anything of value to a person or political organization for a political purpose.

- D. Grant funds may not be used to employ, as a regular full-time or part-time or contract employee, a person who is required by Chapter 305 of the Government Code to register as a lobbyist. Furthermore, grant funds may not be used to pay, on behalf of the agency or an officer or employee of the agency, membership dues to an organization that pays part or all of the salary of a person who is required by Chapter 305 of the Government Code to register as a lobbyist.
- E. As applicable, the grantee and each contracting tier will comply with 31 USC § 1352, which provides that none of the funds provided under an award may be expended by the grantee to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer of employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal. Grantee shall file the required certification attached hereto and incorporated for all purposes as Exhibit C. Each contracting tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If Harris County determines that the grantee has been overpaid any grant funds under this Grant Agreement, including payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, the grantee shall return to Harris County the amount identified by Harris County as an overpayment. The grantee shall refund any overpayment to Harris County within thirty (30) calendar days of the receipt of the notice of the overpayment from Harris County unless an alternate payment plan is specified by Harris County.

5.5 Recapture of Funds

The discretionary right of Harris County to terminate for convenience under Section 1.13 notwithstanding, Harris County shall have the right to terminate the Grant Agreement and to recapture, and be reimbursed for any payments made by Harris County: (i) that are not allowed under applicable laws, rules, and regulations; or (ii) that are otherwise inconsistent with this Grant Agreement, including any unapproved expenditures.

5.6 Liquidation Period

A waiver by either Party of a breach or violation of any provision of the Agreement shall not be deemed or construed to be a waiver of any subsequent breach.

The County does not agree to binding arbitration, nor does the County waive its right to a jury trial.

This Agreement contains the entire agreement between the Parties relating to the rights herein granted and the obligations herein assumed. This Agreement supersedes and replaces any prior agreement between the Parties pertaining to the rights granted and the obligations assumed herein. The CARES Act established the Coronavirus Relief Fund (CRF), and Harris County received a direct allocation of \$426 million. On April 28, 2020 Commissioners Court authorized forming a committee consisting of a representative from each office of Commissioners Court to work with BMD/HRRM and all relevant departments to make recommendations on the expenditures of the funds. Attached for your approval is a recommendation from the committee to establish the Small City Assistance Program in an amount not to exceed \$28.5 million.

The committee will continue to work with Guidehouse in making further recommendations to Commissioners Court before the CRF expiration date of December 30, 2020.

Thank you for your consideration.

**COVID-19 Small City Assistance Program
July 10, 2020**

BACKGROUND

The COVID-19 pandemic is stretching the ability of State, County, and City governments to both meet their obligations to protect their citizens and to ensure complete economic recovery and long-term resiliency. While each situation is unique, we understand that Harris County faces considerable demands resulting from this outbreak and the 34 cities it represents, and the County seeks to establish a program to provide appropriate reimbursement of Coronavirus Relief Funds (CRF) to the respective small cities.

PROGRAM PURPOSE

The COVID-19 Small City Assistance Program’s purpose is to provide financial assistance for the needs of cities with <500K population.

The following are the program considerations:

Coordination. Need to ensure that the County’s response is coordinated so that it addresses the unprecedented public health and societal impacts impacting the small cities.

Grants Management. Need to ensure support of the management of grant applications, eligibility verification, grant awards, management of grant and subrecipient agreements, and management of approval processes for funds requested by cities within Harris County related to the CRF.

Eligibility. Need to ensure expenses incurred and to be reimbursed to the small cities are captured in a manner that makes them reimbursable in accordance with U.S. Department of Treasury guidance for the Coronavirus Relief Fund

Compliance. Need to ensure that the County is complying with the rules and regulations that will ensure expenses are reimbursable and avoid a loss of stakeholder and community confidence.

ELIGIBILITY CRITERIA

Cities with <500K population that demonstrate need for financial assistance may qualify for assistance by meeting any of the following criteria:

Criteria	Name	Description	Additional Considerations
#1	FEMA 25% Match	Cities would submit their approved FEMA Public Assistance (PA) requests showing the 75% reimbursement requested. Harris County then provides the remaining 25% of eligible reimbursements.	Technical assistance cities apply for FEMA PA
#2	Eligible activities not covered by other funding sources	Expenses incurred by small cities that are typically not covered by FEMA or other grants, that are eligible for CRF. This includes, but is not limited to, the following activities: - COVID dedicated payroll expenses - Paid sick and medical leave - Government payroll support program - Unemployment insurance costs - Telework capability improvement	Educate cities about these expense activities

#3	Other COVID Related Expenses	Other related expenses not identified in Options #1 and #2 that will be evaluated by the County for duplication of benefits on a case-by-case basis	Educate cities about these expense activities
----	------------------------------	---	---

ALLOCATION MAXIMUMS

Per the chart below, \$55 per capita is used to determine a ceiling of available CRF funding per small city within Harris County. This amount is based on the criteria established by the Texas Department of Emergency Management (TDEM) for other cities and counties in Texas with <500K populations.
