**Re: Galveston County Municipal Utility District No. 39 (the “District”)
\$2,125,000* Unlimited Tax Refunding Bonds, Series 2021 (the “Bonds”)**

Dear Kristine:

At a meeting on Tuesday, March 2, 2021, the District’s Board of Directors approved proceeding with issuing its sixth series of refunding bonds by public negotiated sale. Pursuant to the “Restated Utility Agreement between the District and the City of League City, Texas” (the “Utility Agreement”), particularly Section 5.02, the District is required to obtain City of League City approval prior to the sale of bonds. The terms and conditions of the Bonds and expenditure of funds are in compliance with the Utility Agreement.

The purpose of the Bonds is to currently refund and defease portions of the District’s Unlimited Tax Bonds, Series 2013A. The Bonds are structured with the same maturity schedule as the bonds being refunded (NO EXTENSION OF DEBT). This financing, as prepared March 1, 2021 is projected to provide 10.31% in present value savings (\$208,956) and \$243,609 of gross savings. We have attached a copy of the refunding analysis, including the savings report for your review. The District levied a total 2020 tax rate of \$0.53 per \$100 of taxable assessed valuation (\$0.48 for debt service and \$0.05 for maintenance). The District’s 2020 Certified Taxable Assessed Valuation is \$432,295,419, as provided by the Galveston Central Appraisal District.

**Preliminary, subject to change.*

The attached analysis reflects a bond issue in the principal amount of \$2,125,000. **We are requesting that League City approval be for an amount “not to exceed \$3,000,000,” which allows for fluctuations resulting from changes in the market and interest rates.** The District would like to sell the Bonds as soon as possible and capture all possible savings. Please let us know if you need any additional information.

Thank you for your assistance with this financing.

Sincerely yours,

/s/
