**WITNESSETH**

**WHEREAS**, the State owns and operates a system of highways for public use and benefit, including FM 518 East, in Galveston, County; and

**WHEREAS**, the local government has requested the temporary closure of FM 518 (EB,WB) from FM 270 to SH 3 for the purpose of providing safety for the Holiday in the Park Parade on Dec. 1, 2018, from 5:15 p.m. to 10:00 p.m. as described in the attached “**Exhibit A**,” hereinafter identified as the “**Event**,” and

**WHEREAS**, the Event will be located within the local government’s incorporated area; and

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants and agreements of the parties hereto, to be by them respectively kept and performed as hereinafter set forth, it is agreed as follows:

### **Article 3. OPERATIONS OF THE EVENT**

**A.** The local government shall assume all costs for the operations associated with the Event, to include but not limited to, plan development, materials, labor, public notification, providing protective barriers and barricades, protection of highway traffic and highway facilities, and all traffic control and temporary signing.

**B.** The local government shall submit to the State for review and approval the construction plans, if construction or modifications to the State's right of way is required, the traffic control and signing plans, traffic enforcement plans, and all other plans deemed necessary by the State. The State may require that any traffic control plans of sufficient complexity be signed, sealed and dated by a registered professional engineer. The traffic control plan shall be in accordance with the latest edition of the Texas Manual on Uniform Traffic Control Devices. All temporary traffic control devices used on state highway right of way must be included in the State's Compliant Work Zone Traffic Control Devices List. The State reserves the right to inspect the implementation of the traffic control plan and if it is found to be inadequate, the local government will bring the traffic control into compliance with the originally submitted plan, upon written notice from the State noting the required changes, prior to the event. The State may request changes to the traffic control plan in order to ensure public safety due to changing or unforeseen circumstances regarding the closure.

**C.** The local government will ensure that the appropriate law enforcement agency has reviewed the traffic control for the closures and that the agency has deemed them to be adequate. If the law enforcement agency is unsure as to the adequacy of the traffic control, it will contact the State for consultation no less than 10 workdays prior to the closure.

**E.** The local government will not initiate closure prior to 24 hours before the scheduled Event and all barriers and barricades will be removed and the highway reopened to traffic within 24 hours after the completion of the Event.

**F.** The local government will provide adequate enforcement personnel to prevent vehicles

The local government will prepare a traffic enforcement plan, to be approved by the State in writing at least 48 hours prior to the scheduled Event. Additionally, the local government shall provide to the State a letter of certification from the law enforcement agency that will be providing traffic control for the Event, certifying that they agree with the enforcement plan and will be able to meet its requirements.

**G.** The local government hereby assures the State that there will be appropriate passage allowance for emergency vehicle travel and adequate access for abutting property owners during construction and closure of the highway facility. - (4) By satisfactory completion of all services and obligations as set forth herein.

**B.** The termination of this agreement shall extinguish all rights, duties, obligations, and liabilities of the State and local government under this agreement. If the potential termination of this agreement is due to the failure of the local government to fulfill its contractual obligations as set forth herein, the State will notify the local government that possible breach of contract has occurred. The local government must remedy the breach as outlined by the State within ten (10) days from receipt of the State's notification. In the event the local government does not remedy the breach to the satisfaction of the State, the local government shall be liable to the State for the costs of remedying the breach and any additional costs occasioned by the State.
