Due to on-going supply chain limitations and delayed manufacture's delivery times from Ford, the 14 F150 Responders previously approved now face further delays and will not be delivered as promptly as promised. The City's Ford and Chevrolet fleet sales representative recently informed City staff of 14 Chevrolet Silverado PPV vehicles that are currently available for purchase at Lake Country Chevrolet (see Attachment 3). Staff recommends reallocation of approved funding from the two purchase orders for the aforementioned 14 Ford F150 Responders and moving forward with the purchase of the 14 available Chevrolet Silverado PPV trucks. This requires the reallocation of funds from cancelled purchase order No. 2240020-001 in the amount of \$1,069,955 and deletion of item 11 from purchase order No. 2230777 in the amount of \$62,648 to a new purchase order with Lake Country Chevrolet for a total not to exceed cost of \$1,080,603. The new purchase results in a savings of \$52,000. Details are as follows:

Item 11 deleted from P.O. 2230777 (1 - Ford150 Responder) - \$62,648  
Cancelled P.O. 2240020-001 (13 - Ford150 Responders) - \$1,069,955
