### Changes to the Proposed Budget

The proposed budget provided was presented to City Council on July 13, 2015. The FY 2016 Proposed Budget includes \$109,220,155 for operations and \$65,888,450 for capital projects for a total appropriation of \$175,108,605. The \$175,108,605 is \$3,406,682 less than the July 13 proposed budget of \$178,515,287. The \$3,406,682 reduction is \$2,236,681 from operating funds as described in Exhibit A (\$2,165,062 from general fund; \$65,399 from utility fund; and

\$6,220 from 4B M&O fund); and \$1,170,001 from capital projects as described in Exhibit B to the budget ordinance. The recommended changes consist of the following:

#### **OPERATING BUDGET (Exhibit A)**

A net decrease to General Fund expenses of \$2,165,062 detailed below:

- \$1,500 increase to Mayor & Council's budget for League City Chamber of Commerce
- \$17,688 increase to Parks Recreation programs for senior ceramic class
- \$56,120 decrease to City Auditor's budget by reducing the budgeted salary to mid-point of the pay grade and removing funding for a peer review
- \$50,000 increase to non-departmental for renovations of the Ghirardi House
- \$322,911 decrease funding for health insurance (from 20% to 10.5%)
- \$185,219 decrease in transfer to tax increments due to reduction in the City's property tax rate
- \$1.67 million decrease in transfer to CIP for projects for the following projects:
  - a. \$500,000 reduce cash funding of tax supported CIP projects
  - b. \$320,000 reduce funding for new traffic signals
  - c. \$600,000 reduce funding for land purchases for City initiatives
  - d. \$250,000 reduce funding for traffic system/facilities fiber network

A net decrease to Utility Fund expenses of \$65,399 due to decreased funding for health insurance (from 20% to 10.5%).

A net decrease to 4B M&O Fund expenses of \$6,220 due to decreased funding for health insurance (from 20% to 10.5%).

#### **REVENUES:**

Included in the revision is a net decrease to General Fund Revenues of \$2,320,150:

- \$2.4 million decrease in property tax revenue (reduce tax rate \$0.032)
- \$76,000 increase in Payment in Lieu of Tax (PILOT) revenue
- \$3,850 increase in Parks Recreation Program revenue for senior ceramic class

Also included in the revision is a net increase to Utility Fund Revenues of \$4,482,500 for 11 months of increased revenue estimated based on the Council's adoption of new utility rates on August 11, 2015.

#### **CAPITAL BUDGET (Exhibit B)**

The \$1,170,001 reduction to capital projects is detailed below:

- \$320,000 reduce funding for traffic signals (signal was deleted from program)
- \$600,000 reduce funding for land purchases
- \$250,000 reduce funding for fiber

Also included in the revision, is \$500,000 reduction to cash for projects. This change did not decrease funding for capital projects, just shifted the funding for capital projects, just shifted the funding source from cash to FY 2016 bond need.

#### **Separate Vote Required to Ratify Tax Increase**

State Budget Law requires "a separate vote of the governing body to ratify the property tax increase reflected in the budget." (This is related to the state-required language included on the budget's cover page and in the notice of public hearing on the proposed budget noting that the proposed budget includes more property tax revenue than in the current year.) Although the FY 2016 Proposed Budget decreases the tax rate, property tax revenue will still increase, due to new property added to the tax roll this year from the community's growth. State law mandates that the revenue increase be termed a tax increase. This required separate vote to ratify the tax increase is planned to be brought forward to Council in a separate agenda item with the second reading of the budget ordinance at the September 8 Council Meeting.

#### **Second Reading and approval of the Budget**

The 2nd reading is scheduled for September 8th. The Charter requires the budget to be approved by at least ten (10) days before the beginning of the fiscal year, which is September 20th.
