### Project Summary:

The proposed ordinance changes include updating, adding, and removing regulations within the Zoning Ordinance and adding a subsection to the Subdivision Ordinance. The proposed changes consist of the following:

1. Revise lighting standards to require full cutoff lights and not allow any light trespass onto adjacent lots.
2. Create regulations to allow dogs in outdoor dining areas.
3. Consolidate all landscaping requirements into one section of the zoning ordinance.
4. Revising parking regulations related to:
  - a. Compact Car
  - b. Wheel Stops
  - c. Commercial vehicles in residential areas
5. Create regulations related to electric vehicle charging stations.
6. Revise the use table to allow restaurants in "CM" zoning district to have live entertainment.
7. Revise regulations to allow wrought-iron type fences in front yards of commercial and residential properties.
8. Revise side setback regulations for corner lots in "RSF" zoning districts to provide continuity of setbacks along street frontages.
9. Allow for a waiver to build across lot lines in certain situations.

On July 1, 2019, the Planning and Zoning Commission held a public hearing and recommended approval of items 1-8 by a vote of 5-0-0 with three members absent. Item 9 does not require a recommendation by the Planning and Zoning Commission.

On August 13, 2019, City Council approved the item on first reading, 7-0-0 with one member absent.
