Consider and take action on a resolution rejecting all bids pertaining to RFP 19-Parks-010 for Janitorial Services and authorizing the addition of three (3) full time positions and one (1) part-time position to the Facilities Services Directorate (Director of IT and Facilities)

Approval of this item will authorize the City to reject RFP 19-Parks-010 for contracted janitorial services and authorize the city manager to add three (3) additional full-time positions and one (1) part-time position in the Facilities Services Directorate. The City received numerous proposals for the Janitorial RFP. The two (2) contractors interviewed as finalists were over both over \$300,000.00 per year, which is over the budgeted amount of \$291,980.00. Staff believes that these duties can be performed in house, which will allow us to better monitor the performance of these employees. Over the past years, we have experienced several issues such as theft, insufficient cleaning, workers not showing up or not working the entirety of their scheduled time. Last year, city staff began cleaning all the fire stations, Public Works administration building and the parks administration building which has been a success and savings.

Currently, custodial services has four (4) FTE positions and one (1) part-time position.

**Cost breakdown:**

Three (3) additional FTE's (from HR/Budget)	\$153,152
One (1) additional PTE (from HR)	\$25,503
Cleaning supplies (estimated)	\$50,000
Equipment for startup (one-time cost)	\$26,310
