Presentation of a proclamation recognizing May 16-22, 2021 National Public Works Week (Mayor Hallisey)

The American Public Works Association (APWA) recognizes May 16th - 22nd as National 2021 Public Works Week. In-line with this years' theme, Public Works keeps a community's rhythm moving by providing an orchestra of infrastructure services in transportation, water, wastewater, and stormwater treatment, public buildings and spaces, parks, and grounds, emergency management and first response, solid waste, and right-of-way management. Public Works provides the harmony needed for collaboration with all the stakeholders in capital projects, infrastructure solutions, and quality of life services.
