Consider and take action on a resolution authorizing a three-year agreement with Level One LLC a Doxim Company for the printing and mailing of monthly statements, inserts, and delinquency notifications in an amount not to exceed \$655,415 (Interim Director of Finance)

Approval of this item will authorize a three-year agreement for the cost to print and mail monthly statements, inserts, and delinquency notifications.

The request for proposal was issued on April 20, 2021, for the printing and billing contract for the Utility Billing Department. There were ten (10) proposals that were submitted and reviewed. Level One is the company that was rated highest by the three (3) evaluators based on the established criteria of organization and qualification, service quality, product appearance and quality, and pricing. Please see the evaluation summary attached.

The past three-year agreement cost \$497,528 but was tempered by the Tyler conversion which compressed billing and COVID19 which decreased delinquency notices. The FY2022 proposed budget includes funding for the anticipated increase to \$209,500 for the first year of the agreement.

The products offered are compatible with our current ERP system and will require little to no transition from the previous vendor.
