Consider and take action on a resolution appointing authorized signatories for Community Development Block Grant Disaster Recovery funds awarded to League City by the Texas General Land Office (Assistant City Manager)

The City of League City was awarded Community Development Block Grant Disaster Recovery funds for infrastructure improvements needed as a result of Hurricane Ike. As part of the CDBG Disaster Recovery Program, the City of League City is required to pass a resolution designating up to four individuals to serve as depository and authorized signatories. On January 13, 2015 the City Council approved Resolution 2015-01 authorizing signatories. This proposed resolution will update that authorization. The resolution will allow for any of the four individuals to sign State of Texas Purchase Vouchers and/or request for payment forms for the program.

Staff recommended that City Council select the following individuals to serve as signatories:

1. John Baumgartner, City Manager
2. Rebecca Underhill, Assistant City Manager/Director of Finance
3. Ogden 'Bo' Bass, Assistant City Manager
4. Allena Portis, Assistant Director of Finance
