Consider and take action on a resolution requesting that the Clear Creek Watershed Steering Committee identify and present regional solutions to League City concerning the elimination or drastic reduction of flooding along its watersheds (Council Member Dugie and Mayor Hallisey)

Approval of this item request that the Clear Creek Watershed Steering Committee identify and present regional solutions to League City concerning the elimination or drastic reduction of flooding along its watersheds.

In the aftermath of Hurricane Harvey and with the approach of the current and future hurricane seasons, it has become imperative to identify ways that local communities can reduce flooding. The Clear Creek Watershed Steering Committee is in a unique position to collaborate with local communities to identify solutions that can help reduce flooding.
