Presentation of "Life Saving Awards" to Baylie Jones and Christian Quijano (Mayor Hallisey)

On April 2, 2019 at approximately 9:20 p.m., Baylie Jones and Christian Quijano, employees of the Fitness Center at South Shore Harbour, performed CPR on a man who had a double heart attack. They kept CPR going until EMS arrived, and are attributed with saving his life by keeping an uninterrupted blood flow to the brain even though his heart stopped.
