Consider and take action on a resolution authorizing a two-year contract renewal with DBS Texas-Houston for recreation program shirts and uniforms in an amount not to exceed \$179,881.76 (Director of Parks & Cultural Services)

DBS Texas-Houston is currently under contract to provide uniforms for all recreation staff, programs, and events. The existing contract expires November 30, 2020. The cost of the uniforms is built into the registration cost and passed on to the participant. The Recreation Department is expected to receive an estimated \$500,000 in revenue annually from the recreation programs that require uniforms and shirts.

Five proposals were received in response to solicitation 20-REC-015 Athletic Uniforms and Shirts. Each proposal was carefully reviewed by the evaluation committee, comprised of City Staff. After review of the proposals, DBS Texas-Houston clearly had the highest rated proposal. Based on qualifications and experience, project methodology and design, pricing and fees, and references, DBS Texas-Houston is the third lowest bidder. Justification is provided by Park Recreation Manager Kenny Walsh in attached memo. The two lower bidders are based out of Seattle, Washington and Woodbridge, Virginia.

An estimated 5,000 participants will participate in these programs during the fiscal year. The amount is consistent with the budget allocation for FY21, with \$41,994 being paid out of the general fund and \$49,265 being paid out of the 4B budget.
