Consider and take action on a resolution creating the League City Sunset Commission and appointing initial members to the commission (Council Member Mann, Council Member Bowen and Council Member Long)

The League City Sunset Commission would be created for the purpose of studying the functions of the City's various boards, commissions, and departments and making recommendations to the City Council for retention, modification, or elimination of same.

The goal of the League City Sunset Commission is to increase efficiency, reduce duplication of effort, and eliminate waste in the City's operation. The Commission would be an advisory board and would have eight (8) members each serving a two (2) year term, except for the initial members.
