A. INTRODUCTION AND DEFINED TERMS

I. INTRODUCTION

The League City Public Improvement District No. 1 – Magnolia Creek Master Planned Community (the “PID”) was created pursuant to Chapter 372 of the Texas Local Government Code, as amended, (the “PID Act”) and Resolution No. 97-66 of the City Council (the “City Council”) of the City of League City (the “City”) on November 18, 1997 to finance certain Public Improvements for the benefit of the property in the PID.

A service and assessment plan, as amended and restated from time to time (the “SAP”) was prepared at the direction of the City identifying the Public Improvements to be financed through the PID, the costs of the Public Improvements, and the manner of assessing the property in the PID for the costs of the Public Improvements. Pursuant to the Service and Assessment Plan, the Developers would provide the funds for the construction of the Public Improvements and would be entitled to repayment pursuant to the applicable Development Agreements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted an assessment roll (the “Assessment Roll”) identifying the assessments on each Parcel of Assessed Property within the PID, based on the method of assessment identified in the SAP. This Annual Service Plan Update also updates the Assessment Roll for annual installment of assessments (the “Annual Installments”) to be collected for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix E and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meaning specified in the SAP unless otherwise defined herein.

C. UPDATE OF THE ASSESSMENT PLAN

The SAP adopted by the City Council provided that the Authorized Improvement Costs shall be allocated to the Assessed Property by spreading the entire Assessment across the Parcels based on the square feet of each unit anticipated to be developed within the PID, and that such method of allocation will result in the imposition of equal shares of the Actual Costs of the Authorized Improvements to Parcels similarly benefited.

This method of assessing property has not been changed and Assessed Property will continue to be assessed as provided for in the SAP.

I. REDUCTION OF ASSESSMENTS

If after all Authorized Improvements to be funded with the Assessments have been completed and Actual Costs for such Authorized Improvements are less than the estimated costs of the Authorized Improvements used to calculate the Assessments, then the Assessment for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.

II. MANDATORY PREPAYMENT OF ASSESSMENTS

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and the SAP, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

III. PAYMENT OF ASSESSMENTS

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time. Such payment shall include interest through the date of the prepayment and applicable Prepayment Costs.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.

(c) Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in the designated PID account; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

(d) At the option of the owner, the Assessment on any Parcel plus interest through the date of prepayment and applicable Prepayment Costs may be paid in part. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. *Payment in Annual Installments*

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Rolls, as updated as provided for herein, which include interest and Administrative Expenses. Payment of the Annual Installments shall commence with tax bills mailed after the conditions stipulated for such collections are satisfied.

Each Assessment within Section 13 and Section 5B shall be paid with interest rates of 3.00 percent and 6.7 percent, respectively. The Annual Installments shall be reduced to equal the actual costs of repaying the remaining obligations of the PID and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

(the remainder of this page is intentionally left blank)

D. UPDATE OF THE ASSESSMENT ROLL

The Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act;
- (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section C of this Annual Service Plan Update.

The summary Assessment Roll for Phase 4, Section 13, Section 5B Residential Property, Section 5B Commercial-General Property, and Section 5B Commercial-Lighthouse Property are shown herein as Appendix B, Appendix C, Appendix D-1, Appendix D-2, and Appendix D-3, respectively. Each Parcel in the respective phases and section of the PID is identified, along with the outstanding Assessment on each Parcel, and the Annual Installment to be collected from each Parcel.

There are no Parcel updates to be provided in this Annual Service Plan Update.
