Dear Ms. Carter:

Enclosed are (1) a copy of the Texas Commission on Environmental Quality's (TCEQ) initialed memorandum that constitutes the official TCEQ report on the referenced application and (2) a copy of the draft order for your review. After we receive your consent, we will finalize the order approving your application and submit it to the Executive Director for signature.

The Executive Director is authorized to sign the order on behalf of the Commission in accordance with Section 5.122 of the Texas Water Code and the TCEQ's rules. Please e-mail the executed consent form to technical manager Kamal Adhikari at kamal.adhkari@tceq.texas.gov. Please do not send additional copies via mail or fax. If the executed consent form is not received within 5 working days, the application for your district will be considered "contested" and finalization of the order could be delayed significantly. After the Executive Director signs the order, the Chief Clerk's office will provide you with a signed copy.

If you request amendments to the staff memorandum and/or draft order because of changes to your application or because you provide more information, additional time will be required to review the requested changes and modify the memorandum and/or draft order. **This could result in significant delays for obtaining approval of your application.**

If you have any questions, please contact Kamal Adhikari at 512-239-0680 or by e-mail at kamal.adhikari@tceq.texas.gov.

Sincerely,

Justin P. Taack, Manager
