Re: FY2025 Library Materials Accounts

---

Comments: The Library's FY2025 budget allocates \$198,800 for new materials of all types.

While only one of the Library's vendor contracts is large enough to require Council approval, Library Administration would like to present an account of all materials vendors and contracts for the fiscal year.

Under section 252.022 of the Texas Local Government Code, books, and other library materials available under exclusive distribution rights for purchase for a public library are exempt from standard procurement rules and do not require competitive bids.

### Baker & Taylor

The Library has allocated \$121,050 to be spent with Baker & Taylor and the expenditure requires Council approval.

The State of Texas developed an RFP solicitation for all public libraries that allows the purchase of print and audiovisual materials without the Library having to solicit individually. Information is attached detailing Texas Smart Buy 715-M2, as well as Baker & Taylor's current Terms and Discounts for Public Libraries. As noted on the attached 715-M2 document, the contract ends this October, with anticipated renewal through October 2025.

4800000 – 51500, Music CDs: \$1,000  
4800000 – 51502, Children's Print Materials: \$50,000  
4800000 – 51504, Teen Print Materials: \$6,500  
4800000 – 51504, Adult Print Materials: \$62,800  
20154800 – 51100, Gifts and Memorials: \$750

### Brodart

The Library has allocated \$18,200 to be spent with Brodart. This vendor is covered by Texas Smart Buy 715-M2 contract.

4800000 – 51502, Children's Print Materials: \$15,000  
4800000 – 51504, Teen Print Materials: \$3,200

Gale Group

The Gale Group, Inc. provides purchase plans for monthly shipments of new large-print nonfiction and fiction books and library records. \$8,000 has been allocated for purchases with this vendor. The Gale Group is considered sole source.

4800000 – 51502, Children’s Print Materials: \$1,000

4800000 – 51504, Adult Materials: \$7,000

Midwest Tape

Midwest Tape, LLC, is one of the many vendors covered by the Texas State Contract 715-M2. The Library has allocated \$11,300 for purchases with Midwest Tape.

4800000 – 51100, Children’s Movies & Educational DVDs: \$5,300

4800000 – 51500, Movies & Educational DVDs: \$4,000

4800000 – 51500, Audiobooks for Adults: \$2,000

Blackstone Audio

Blackstone Audio has served as one of the Library’s primary vendors for purchasing books on CD for several years. Once an audiobook company has secured the rights to a title, they usually become the sole source vendor for that title. For the library to provide a comprehensive audiobook collection we have requested doing business with both Midwest Tape and Blackstone Audio.

4800000 – 51500, Audiobooks for Adults: \$2,500

OverDrive

The library has participated in the Houston Area Database Consortium for the Overdrive platform since 2007, under an agreement which automatically renews every year. The platform fee and the bulk of the collection (\$91,521) are paid through Galveston County funds allocated from Galveston County Commissioners.

Locally held electronic materials are available through the consortium platform, but League City patrons are the only patrons who can check them out. Of City funds, \$26,500 has been budgeted for locally held eBooks and eAudiobooks for FY2025. OverDrive is considered sole source.

4800000 – 51502, Children’s Downloadable Content: \$10,000

4800000 – 51504, Adult and Teen Downloadable Content: \$16,500

Remaining and Unencumbered Funds

The remaining \$12,000 not otherwise accounted for with the above vendors are funds designated for materials unavailable with traditional library vendors, including purchases made with local vendors.

Galveston County Funds

Galveston County Commissioners have allocated \$151,721 of County funds to League City’s Library. These funds purchase titles for the Library’s physical and digital collections, as well as pay for courier services that allow resource sharing throughout the County.

**Comparisons Between Texas Smart Buy 715-M2 Contract Vendor Baker & Taylor and Amazon**

Smart Buy library distributors, such as Baker & Taylor, provide many benefits to the Library, such as professional reviews and specialized selection tools that help collection development staff make informed purchasing decisions. Library distributors also offer processing, catalog records, and automation services which save the Library operating costs and staff time. Distributors like Amazon and Barnes & Noble do not provide these types of value-added services.

Purchasing items from Amazon increases costs at an average of \$4.71 per item. This additional cost represents staff processing time, operating supplies to make items shelf-ready, and database maintenance to make the items accessible to our citizens. For example, in FY2024, 11,244 items were purchased from Smart Buy distributors, such as Baker & Taylor. If those items had instead been purchased from Amazon, in-house processing alone would cost the Library and our citizens an additional \$52,959.

Fiscal Year	Amazon Cost/Item	Smart Buy Cost/Item	Difference in Smart Buy Savings
2022	\$19.73	\$13.81	\$5.92
2023	\$27.48	\$14.73	\$12.75
2024	\$21.25	\$15.42	\$5.83

To provide a timely and specific comparison, collection development staff identified ten children’s and teen titles that have been in high demand. Staff created example orders for these titles in both Baker & Taylor and Amazon. The discounts compared between Smart Buy and Amazon are apparent, especially when full processing and database maintenance are conducted in-house.

CHILDREN’S TITLES	Baker & Taylor (Smart Buy)	Amazon (City Account)	Smart Buy Savings	Percent Discount Compared to Amazon
Recent High-Demand Titles (Without Processing)	\$101.22	\$116.01	\$14.79	15%
Recent High-Demand Titles (With Processing)	\$108.09	\$163.11	\$55.02	51%

<b>TEEN TITLES</b>	<b>Baker &amp; Taylor (Smart Buy)</b>	<b>Amazon (City Account)</b>	<b>Smart Buy Savings</b>	<b>Percent Discount Compared to Amazon</b>

Recent High-Demand Titles (With Processing)	\$107.96	\$150.48	\$45.52	39%

Collection development staff also compared the same titles using the manufacturer's suggested retail price versus the discount offered by Baker & Taylor through the Smart Buy contract. Library materials distributors can indicate how much we save as staff select titles for purchase. The following tables shows the Smart Buy contract discount from Baker & Taylor.

<b>CHILDREN'S TITLES</b>	<b>List Price (or MSRP Amount)</b>	<b>Baker &amp; Taylor Smart Buy Net Price Amount</b>	<b>Smart Buy Saving with Baker &amp; Taylor</b>	<b>Percent Discount from Smart Buy Contract</b>
