Project Summary:

The request proposes to locate a dog grooming business, Bubbles & Barks Pet Grooming within a 1,500-square-foot lease space of an existing 9,800 square-foot shopping center at 3311 East FM 518. The Applicant indicates that no alterations to the existing building or site are proposed. In addition, all operations of the business will be conducted indoors.

The proposed use is consistent with other uses along the FM 518 commercial corridor, which are primarily service and retail type uses. Other uses in the area include a car wash, light vehicle service, restaurant, gas station, fitness gym, church, and a daycare.

On March 4, 2024, the Planning and Zoning Commission held a public hearing on this request. Nobody spoke during the public hearing nor did the Planning Department receive any communications either in favor, or opposition to the request. The Planning and Zoning Commission recommended approval of the Special Use Permit, 6-1-0, subject to the two conditions.

1. The use permitted by the SUP will be limited to an Animal Sales and Services with no outdoor kennels or outdoor storage use.
2. No operational portions of the business with the exception of static displays shall be located outside of the building.
