Great

Georgetown Parkway is the name that the Bofysil family would like to use.

Thank you. Let me know any next steps and when this might be placed on agenda.

Hah! That is great timing on the naming, I had you on my list to reach out about that very topic! We typically allow the developers to name the roads, and they are “adopted” with the recorded plat. I think with TxDOT being in front of the developments in this case, we would need to take a resolution to council to lock in the names. If you want to propose one, we can confirm that it is an allowable name and get it to Council in February.

Thanks,
Christopher
