General Standard Conditions

- I. **ACCEPTANCE** – This proposal is subject to acceptance by the Purchaser within 30 days. Prices are subject to change without notice; all quotations whether published or special prices automatically expire 30 days from date of quotation, if not canceled prior to that time by another quotation or by a notice of cancellation, and are automatically canceled without notice simultaneously with the date of a price change. Acceptance of this quotation is limited to the terms hereof and Seller hereby objects to different or additional terms unless accepted by Seller in writing. No acceptance of this proposal by the Purchaser and no purchase order for any of the machinery offered in this proposal shall create any contract between Seller and Purchaser or be binding in any way upon Seller until such acceptance or purchase order is approved in writing by an executive officer of the Seller.
- II. **WARRANTY** – As the distributor for various manufacturers, the Seller is dependent upon representation and promises made by these manufacturers as to quality of material, performance data, and delivery schedules. The Seller will pass on to the Purchaser warranties, which may be available from the manufacturer of the products, involved. In addition to any applicable warranties that may be passed on to the Purchaser, the Seller will warrant items of original manufacture of the seller for six (6) months after date of shipment against defects in material and workmanship. All warranty claims must be made in a timely fashion by written notice to the Seller and the Seller or manufacturer involved shall have the option of requiring the return of the defective part, transportation prepaid to establish the claim. The Seller shall not be held liable for damages or delay caused by defects. The Seller's liability to the Purchaser except as to title, arising out of the supplying of the said equipment, or its use, whether based upon warranty, contract or negligence, shall not in any case exceed the cost of correcting defects in the equipment as herein provided and upon the expiration of the warranty period, all such liability shall terminate. The Seller shall not in any event be held liable for any special, indirect or consequential damages.
- III. **TITLE** – The Seller will deliver the equipment F.O.B. cars or trucks at point of shipment and such delivery will constitute delivery to the Purchaser. Title and risk of loss of the equipment shall pass to the Purchaser at this point.
- IV. **INSURANCE** – The Purchaser shall bear all risk of loss or damage to the machinery after delivery and shall provide and maintain adequate insurance against loss or damage by fire or other causes to the machinery during the time between delivery and final payment in an amount fully protecting the Seller. Loss or damage by fire or other causes within such period shall not relieve the Purchaser from his obligation to pay the purchase price in full.
- V. **TERMS** – Terms are net cash upon shipment or notification that we are ready to ship. Prorata payments shall become due and payable as partial shipments are made hereunder. Payment within thirty (30) days will be considered the same as cash pending approval of credit. These terms apply to partial as well as complete shipments. On orders over \$50,000.00 or as specifically stated on our proposal, special payment terms may be required. These terms are normally included with our proposal and are as stated in the Terms & Conditions form of the manufacturer involved. There is no cash discount given for cash or prompt payment unless specifically agreed upon in writing.
- VI. **TAXES** – The Purchaser shall pay to the Seller, in addition to the purchase price, the amount of all sales, use, privilege occupation, excise or other taxes, federal, state, local, or foreign which the Seller is required to pay in connection with furnishing goods or services to the Purchaser.
- VII. **FREIGHT** – Unless otherwise agreed upon in writing, all equipment is quoted F.O.B. shipping point. The Purchaser shall pay to the Seller in addition to the purchase price, freight charges, which may be required in shipping the equipment from the point of manufacture or storage to the Purchaser's plant. If freight charges are included in the quotation, then the Purchaser shall pay to the Seller, in addition to the purchase price, any amount by which transportation charges may be increased, either by reason of increased transportation rates or because of a change in the method of transportation.
- VIII. **PRICE AND ADJUSTMENT** – The following clauses are applicable to the extent they are referred to elsewhere in this proposal. Selection of price adjustment clause is based upon the proposed shipping date for the equipment offered.

Clause 1: The prices named herein are not subject to any change from the prices in effect on the date the order is accepted.

Clause 2: The prices named herein will be adjusted to the prices in effect at time of shipment.

Clause 3: The prices named herein are subject to escalation in accordance with manufacturer's standard escalation policy or as otherwise stated in the proposal.
- IX. **SHIPPING DATES** – The time for shipment given herein is approximate and is estimated from the date of receipt of order with complete manufacturing information and approval of drawings as may be necessary. The Seller relies upon the information supplied by various manufacturers and will endeavor to maintain quoted shipment times but the Seller will not be liable for any for any special, indirect or consequential damages arising from delay in shipment, irrespective of the reason therefore.
- X. **CANCELLATION** – The Purchaser may cancel his order only upon written notice and payment to the Seller of reasonable and proper cancellation charges including administrative and engineering expense and loss of profits.
- XI. **RESTOCKING** – No merchandise may be returned to the Seller without its written consent and shipping instructions being first obtained. Restocking charges will be provided upon request for the particular item involved and will be as determined by the equipment manufacturer.
