RE: 23-037 RFP Polyacrylamide Cationic Emulsion Liquid Polymer.

Enclosed for your review is the evaluation summary and award recommendation for **Polyacrylamide Cationic Emulsion Liquid Polymer**

HISTORY

On July 18, 2023, Request for Proposal (RFP) 23-037 Polyacrylamide Cationic Emulsion Liquid Polymer was released to the public. The objective of the solicitation was to seek a vendor to provide supply and delivery of Polyacrylamide Cationic Emulsion Liquid Polymer. The material will be used by the City's Wastewater Department to aid in the dewatering of municipal biological waste sludge produced by the City's two activated sludge wastewater treatment facilities. Three bids were received and opened on August 8th, 2023, at 10:10 AM CST. The proposers were as follows:

Befour Chemicals

Polydyne Inc

Univar Solutions

AWARD RECOMMENDATION

The three bids were evaluated. Based on the qualifications and experience of the company and product performance, the Purchasing Department recommends awarding the contract to Polydyne Inc. as the most qualified Proposer.
