Mayor Pro Tem Tommy Cones – I'll be quick, Mayor. I just wanted to let everybody know that we had an employee that passed away, or retired employee. Denny Holt, who was the director of emergency management for years back in the 80s and 90s. His funeral is this coming Saturday at Crowder Funeral Home. He was a very well-respected gentleman throughout the state on emergency management. Him and his wife, his wife also worked here, at the police department. We're really going to miss Denny, he was an icon at Shipley's donuts after retirement. Also, I'd like to give out a shout out to Jody, if he's still here. Jody, I called him and just like a lot of employees, Jody just kind of jumps to the situation and takes care of something anytime you ask him. He helped me with a sign at 518 that a few people were very upset over. It was a crash that happened two years ago. Young girl was deceased, and they had a sign up there honoring her name and I guess during the construction they took it down. I thank Jody for putting that back up there and his public works crew. He is absolutely a fantastic employee.

Scott Higginbotham – No Comments

Chad Tressler – No Comments

Sean Saunders – No Comments

Andy Mann – I just got one quick kudo. Last week in the Galveston Daily News another city in Galveston County was trumpeting the fact that they had finished their battery system ordinance and it was amazing to me that it only took them an additional year. I don't think people really appreciate just how good our staff is. Kudos to two people who made it happen in much less than a year. Thank you.

Tom Crews – No Comments

Courtney Chadwell – I just want to wish all the League City students a great 25-26 school year, starting tomorrow. Looking forward to attending the varsity football season from the Creek Wildcats. No offense to Falls or Springs or anybody else. My kids go to Creek. With that, just be mindful. Traffic patterns are going to change. School zones are going to be flashing. I think we started them yesterday. Friday, it was a Friday. Just watch out for those buses. We've got to take care of those kids.
